

To: Public Comment File – Docket No. OCC–2023–0008

From: Carl Kaminski, Assistant Director, Bank Advisory, Chief Counsel’s Office

Date: February 16, 2024

Subject: Meeting with representatives from the American Council on Renewable Energy (“ACORE”) and American Clean Power (“ACP”) to discuss: Notice of Proposed Rulemaking: “Regulatory Capital Rule: Large Banking Organizations and Banking Organizations with Significant Trading Activity”

Staffs of the Federal Deposit Insurance Corporation, Federal Reserve System, and Office of the Comptroller of the Currency (collectively, the “agencies”) met with representatives from the American Council on Renewable Energy and American Clean Power (collectively, the “renewable energy sector representatives”) regarding the agencies’ Notice of Proposed Rulemaking on Regulatory Capital Rule: Large Banking Organizations and Banking Organizations With Significant Trading Activity (the “NPR”), which was published in the Federal Register on September 18, 2023 (88 FR 64028). As a follow-up to the parties’ meeting of January 18, 2024, the renewable energy sector representatives discussed their January 24, 2024 supplemental comment letter and the impact of the NPR on the renewable energy sector, and urged the agencies to issue a supplemental notice, as requested in their supplemental comment letter.
