### **§ 4562. Single-family housing goals**

#### **(a) In general**

The Director shall, by regulation, establish annual goals for the purchase by each enterprise of the following types of mortgages for the following categories of families:

##### **(1) Purchase-money mortgages**

A goal for purchase of conventional, conforming, single-family, purchase money mortgages financing owner-occupied housing for each of the following categories of families:

#### **(c) Single-family, owner-occupied rental housing units**

The Director shall require each enterprise to report the number of rental housing units affordable to low-income families each year which

are contained in mortgages purchased by the enterprise financing 2- to 4-unit single-family, owner-occupied properties and may, by regulation, establish additional requirements relating to such units.

#### **(d) Determination of compliance**

##### **(1) In general**

The Director shall determine, for each year that the housing goals under this section are in effect pursuant to section 4561(a) of this title, whether each enterprise has complied with each such goal established under subsection (a) of this section and any additional requirements which may be established under subsection (c) of this section.

##### **(2) Purchase-money mortgage goals**

An enterprise shall be considered to be in compliance with a housing goal under subparagraph (A), (B), or (C) of subsection (a)(1) for a year only if, for the type of family described in such subparagraph, the percentage of the number of conventional, conforming, single-family, owner-occupied, purchase money mortgages purchased by the enterprise in such year that serve such families, meets or exceeds the target for the year for such type of family that is established under subsection (e).

##### **(3) Refinance goal**

An enterprise shall be considered to be in compliance with the refinance goal under subsection (a)(2) for a year only if the percentage of the number of conventional, conforming, single-family, owner-occupied refinance mortgages purchased by the enterprise in such year that serve low-income families meets or exceeds the target for the year that is established under subsection (e).

#### **(e) Annual targets**

##### **(1) In general**

The Director shall, by regulation, establish annual targets for each goal and subgoal under this section, provided that the Director shall not set prospective targets longer than three years. In establishing such targets, the Director shall not consider segments of the market determined to be unacceptable or contrary to good lending practices, inconsistent with safety and soundness, or unauthorized for purchase by the enterprises.

##### **(2) Goals targets**

###### **(A) Calculation**

The Director shall calculate, for each of the types of families described in subsection (a), the percentage, for each of the three years that most recently precede such year and for which information under the Home Mortgage Disclosure Act of 1975 [12 U.S.C. 2801 et seq.] is publicly available—

- (i) of the number of conventional, conforming, single-family, owner-occupied purchase money mortgages originated in such year that serve such type of family, or
- (ii) the number of conventional, conforming, single-family, owner-occupied refinance mortgages originated in such year that serve low-income families,

as applicable, as determined by the Director using the information obtained and determined pursuant to paragraphs (4) and (5).

**(B) Establishment of goal targets**

The Director shall, by regulation, establish targets for each of the goal categories, taking into consideration the calculations under subparagraph (A) and the following factors:

- (i) National housing needs.
- (ii) Economic, housing, and demographic conditions, including expected market developments.
- (iii) The performance and effort of the enterprises toward achieving the housing goals under this section in previous years.
- (iv) The ability of the enterprise to lead the industry in making mortgage credit available.
- (v) Such other reliable mortgage data as may be available.
- (vi) The size of the purchase money conventional mortgage market, or refinance conventional mortgage market, as applicable, serving each of the types of families described in subsection (a), relative to the size of the overall purchase money mortgage market or the overall refinance mortgage market, respectively.
- (vii) The need to maintain the sound financial condition of the enterprises.

**(3) Authority to adjust targets**

The Director may, by regulation, adjust the percentage targets previously established by regulation pursuant to paragraph (2)(B) for any year, to reflect subsequent available data and market developments.

**(4) HMDA information**

The Director shall annually obtain information submitted in compliance with the Home Mortgage Disclosure Act of 1975 [12 U.S.C. 2801 et seq.] regarding conventional, conforming, single-family, owner-occupied, purchase money and refinance mortgages originated and purchased for the previous year.

**(5) Conforming mortgages**

In determining whether a mortgage is a conforming mortgage for purposes of this paragraph, the Director shall consider the original principal balance of the mortgage loan to be the principal balance as reported in the information referred to in paragraph (4), as rounded to the nearest thousand dollars.

**(f) Notice of determination and enterprise comment**

**(1) Notice**

Within 30 days of making a determination under subsection (d) regarding compliance of an enterprise for a year with a housing goal established under this section and before any public disclosure thereof, the Director shall provide notice of the determination to the enterprise, which shall include an analysis and comparison, by the Director, of the performance of the enterprise for the year and the targets for the year under subsection (e).

**(2) Comment period**

The Director shall provide each enterprise an opportunity to comment on the determina-

tion during the 30-day period beginning upon receipt by the enterprise of the notice.

**(g) Use of borrower income**

In monitoring the performance of each enterprise pursuant to the housing goals under this section and evaluating such performance (for purposes of section 4566 of this title), the Director shall consider a mortgagor's income to be such income at the time of origination of the mortgage.

**(h) Consideration of properties with rental units**

Mortgages financing two- to four-unit owner-occupied properties shall count toward the achievement of the single-family housing goals under this section, if such properties otherwise meet the requirements under this section, notwithstanding the use of one or more units for rental purposes.

**(i) Goals credit**

The Director shall determine whether an enterprise shall receive full, partial, or no credit for a transaction toward achievement of any of the housing goals established pursuant to section 4562 and 4563 of this title. In making any such determination, the Director shall consider whether a transaction or activity of an enterprise is substantially equivalent to a mortgage purchase and either (1) creates a new market, or (2) adds liquidity to an existing market. No credit toward the achievement of the housing goals and subgoals established under this section may be given to the purchase of mortgages, including any transaction or activity of an enterprise determined to be substantially equivalent to a mortgage purchase, that is determined to be unacceptable or contrary to good lending practices, inconsistent with safety and soundness, or unauthorized for purchase by the enterprises, pursuant to regulations issued by the Director.

**§ 4563. Multifamily special affordable housing goal**

**(a) Establishment of goal**

**(1) In general**

The Director shall, by regulation, establish a single annual goal, by either unit or dollar volume, of purchases by each enterprise of mortgages on multifamily housing that finance dwelling units affordable to low-income families.

**(2) Additional requirements for units affordable to very low-income families**

When establishing the goal under this section, the Director shall establish additional requirements for the purchase by each enterprise of mortgages on multifamily housing that finance dwelling units affordable to very low-income families.

**(3) Reporting on smaller properties**

The Director shall require each enterprise to report on the purchase by each enterprise of multifamily housing of a smaller or limited size that is affordable to low-income families, which may be based on multifamily projects of 5 to 50 units (as such numbers may be adjusted by the Director) or on mortgages of up to \$5,000,000 (as such amount may be adjusted by the Director), and may, by regulation, establish such additional<sup>1</sup> requirements related to such units.

**(4) Factors**

In establishing the goal and additional requirements under this section, the Director shall not consider segments of the market determined to be inconsistent with safety and soundness or unauthorized for purchase by the enterprises, and shall take into consideration—

(A) national multifamily mortgage credit needs and the ability of the enterprise to provide additional liquidity and stability for the multifamily mortgage market;

(B) the performance and effort of the enterprise in making mortgage credit available for multifamily housing in previous years;

(C) the size of the multifamily mortgage market for housing affordable to low-income and very low-income families, including the size of the multifamily markets for housing of a smaller or limited size;

(D) the ability of the enterprise to lead the market in making multifamily mortgage credit available, especially for multifamily housing described in paragraphs (1) and (2);

(E) the availability of public subsidies; and

(F) the need to maintain the sound financial condition of the enterprise.

**(b) Units financed by housing finance agency bonds**

The Director shall give full credit toward the achievement of the multifamily special affordable housing goal under this section (for purposes of section 4566 of this title) to dwelling units in multifamily housing that otherwise qualifies under such goal and that is financed by

tax-exempt or taxable bonds issued by a State or local housing finance agency, if such bonds, in whole or in part—

(1) are secured by a guarantee of the enterprise; or

(2) are purchased by the enterprise, except that the Director may give less than full credit for purchases of investment grade bonds, to the extent that such purchases do not provide a new market or add liquidity to an existing market.

**(c) Measurement of performance**

The Director shall monitor the performance of each enterprise in meeting the goals established under this section and shall evaluate such performance (for purposes of section 4566 of this title) based on whether the rent levels are affordable. A rent level shall be considered to be affordable for purposes of this subsection for low-income families if it does not exceed 30 percent of the maximum income level of such income category, with appropriate adjustments for unit size as measured by the number of bedrooms.

**(d) Determination of compliance**

The Director shall determine, for each year that the housing goal under this section is in effect pursuant to section 4561(a) of this title, whether each enterprise has complied with such goal and the additional requirements under subsection (a)(2).

## § 4566. Monitoring and enforcing compliance with housing goals

### (a) In general

#### (1) Authority

The Director shall monitor and enforce compliance with the housing goals established under this subpart and with the duty under section 4565(a) of this title of each enterprise with respect to underserved markets, as provided in this section.

#### (2) Guidelines

The Director shall establish guidelines to measure the extent of compliance with the housing goals, which, except as provided in paragraph (5), may assign full credit, partial credit, or no credit toward achievement of the housing goals to different categories of mortgage purchase activities of the enterprises, based on such criteria as the Director deems appropriate.

#### (3) Extent of compliance

In determining compliance with the housing goals established under this subpart, the Director—

(A) shall consider any single mortgage purchased by an enterprise as contributing to the achievement of each housing goal for which such mortgage purchase qualifies; and

(B) may take into consideration the number of housing units financed by any mortgage on housing purchased by an enterprise.

**(4) Enforcement of duty to provide mortgage credit to underserved markets**

The duty under section 4565(a) of this title of each enterprise to serve underserved markets (as determined in accordance with section 4565(c) of this title) shall be enforceable under this section to the same extent and under the same provisions that the housing goals established under this subpart are enforceable. Such duty shall be enforceable only under this section, except that such duty shall not be subject to subsection (c)(7) of this section and shall not be enforceable under any other provision of this chapter (including subpart 3 of this part) or under any provision of the Federal National Mortgage Association Charter Act [12 U.S.C. 1716 et seq.] or the Federal Home Loan Mortgage Corporation Act [12 U.S.C. 1451 et seq.].

**(5) Additional credit**

The Director may assign additional credit toward achievement, under this section, of the housing goals for mortgage purchase activities of the enterprises that comply with the requirements of such goals and support housing that includes a licensed childcare center. The availability of additional credit under this paragraph shall not be used to increase any housing goal, subgoal, or target established under this subpart.

**(b) Notice and preliminary determination of failure to meet goals**

**(1) Notice**

If the Director preliminarily determines that an enterprise has failed, or that there is a substantial probability that an enterprise will fail, to meet any housing goal under this subpart, the Director shall provide written notice to the enterprise of such a preliminary determination, the reasons for such determination, and the information on which the Director based the determination.

**(2) Response period**

**(A) In general**

During the 30-day period beginning on the date on which an enterprise is provided notice under paragraph (1), the enterprise may submit to the Director any written information that the enterprise considers appropriate for consideration by the Director in finally determining whether such failure has occurred or whether the achievement of such goal was or is feasible.

**(B) Extended period**

The Director may extend the period under subparagraph (A) for good cause for not more than 30 additional days.

**(C) Shortened period**

The Director may shorten the period under subparagraph (A) for good cause.

**(D) Failure to respond**

The failure of an enterprise to provide information during the 30-day period under this paragraph (as extended or shortened) shall waive any right of the enterprise to comment on the proposed determination or action of the Director.

**(3) Consideration of information and final determination**

**(A) In general**

After the expiration of the response period under paragraph (2), or upon receipt of information provided during such period by the enterprise, whichever occurs earlier, the Director shall issue a final determination on—

(i) whether the enterprise has failed, or there is a substantial probability that the enterprise will fail, to meet the housing goal; and

(ii) whether (taking into consideration market and economic conditions and the financial condition of the enterprise) the achievement of the housing goal was or is feasible.

**(B) Considerations**

In making a final determination under subparagraph (A), the Director shall take into consideration any relevant information submitted by the enterprise during the response period.

**(C) Notice**

The Director shall provide written notice, including a response to any information submitted during the response period, to the enterprise, the Committee on Banking, Housing, and Urban Affairs of the Senate, and the Committee on Financial Services of the House of Representatives, of—

(i) each final determination under this paragraph that an enterprise has failed, or that there is a substantial probability that the enterprise will fail, to meet a housing goal;

(ii) each final determination that the achievement of a housing goal was or is feasible; and

(iii) the reasons for each such final determination.

**(c) Cease and desist, civil money penalties, and remedies including housing plans**

**(1) Requirement**

If the Director finds, pursuant to subsection (b), that there is a substantial probability that an enterprise will fail, or has actually failed, to meet any housing goal under this subpart, and that the achievement of the housing goal was or is feasible, the Director may require that the enterprise submit a housing plan under this subsection. If the Director makes such a finding and the enterprise refuses to submit such a plan, submits an unacceptable plan, or fails to comply with the plan, the Director may issue a cease and desist order in accordance with section 4581 of this title and impose civil money penalties in accordance with section 4585 of this title.

**(2) Housing plan**

If the Director requires a housing plan under this subsection, such a plan shall be—

(A) a feasible plan describing the specific actions the enterprise will take—

(i) to achieve the goal for the next calendar year; and

(ii) if the Director determines that there is a substantial probability that the enter-

prise will fail to meet a goal in the current year, to make such improvements and changes in its operations as are reasonable in the remainder of such year; and

(B) sufficiently specific to enable the Director to monitor compliance periodically.

### (3) Deadline for submission

The Director shall establish a deadline for an enterprise to submit a housing plan to the Director, which may not be more than 45 days after the enterprise is provided notice. The Director may extend the deadline to the extent that the Director determines necessary. Any extension of the deadline shall be in writing and for a time certain.

### (4) Approval

The Director shall review each submission by an enterprise, including a housing plan submitted under this subsection, and, not later than 30 days after submission, approve or disapprove the plan or other action. The Director may extend the period for approval or disapproval for a single additional 30-day period if the Director determines it necessary. The Director shall approve any plan that the Director determines is likely to succeed, and conforms with the Federal National Mortgage Association Charter Act [12 U.S.C. 1716 et seq.] or the Federal Home Loan Mortgage Corporation Act [12 U.S.C. 1451 et seq.] (as applicable), this chapter, and any other applicable provision of law.

### (5) Notice of approval and disapproval

The Director shall provide written notice to any enterprise submitting a housing plan of the approval or disapproval of the plan (which shall include the reasons for any disapproval of the plan) and of any extension of the period for approval or disapproval.

### (6) Resubmission

If the initial housing plan submitted by an enterprise under this section is disapproved, the enterprise shall submit an amended plan acceptable to the Director not later than 15 days after such disapproval, or such longer period that the Director determines is in the public interest.

### (7) Cease and desist orders; civil money penalties

Solely with respect to the housing goals established under sections 4562(a) and 4563(a)(1) of this title, if the Director requires an enterprise to submit a housing plan under this subsection and the enterprise refuses to submit such a plan, submits an unacceptable plan, or fails to comply with the plan, the Director may issue a cease and desist order in accordance with section 4581 of this title, impose civil money penalties in accordance with section 4585 of this title, exercise other appropriate enforcement authority or seek other appropriate actions.
