§ 4501. Congressional findings

The Congress finds that—

(1) the Federal National Mortgage Association and the Federal Home Loan Mortgage Corporation (referred to in this section collectively as the “enterprises”), and the Federal Home Loan Banks (referred to in this section as the “Banks”), have important public missions that are reflected in the statutes and

charter Acts establishing the Banks and the enterprises;

(2) because the continued ability of the Federal National Mortgage Association and the Federal Home Loan Mortgage Corporation to accomplish their public missions is important to providing housing in the United States and the health of the Nation’s economy, more effective Federal regulation is needed to reduce the risk of failure of the enterprises;

(3) considering the current operating procedures of the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, and the Federal Home Loan Banks, the enterprises and the Banks currently pose low financial risk of insolvency;

(4) neither the enterprises nor the Banks, nor any securities or obligations issued by the enterprises or the Banks, are backed by the full faith and credit of the United States;

(5) an entity regulating the Federal National Mortgage Association and the Federal Home Loan Mortgage Corporation should have sufficient autonomy from the enterprises and special interest groups;

(6) an entity regulating such enterprises should have the authority to establish capital standards, require financial disclosure, prescribe adequate standards for books and records and other internal controls, conduct examinations when necessary, and enforce compliance with the standards and rules that it establishes;

(7) the Federal National Mortgage Association and the Federal Home Loan Mortgage Corporation have an affirmative obligation to facilitate the financing of affordable housing for low- and moderate-income families in a manner consistent with their overall public purposes, while maintaining a strong financial condition and a reasonable economic return; and

(8) the Federal Home Loan Bank Act [12 U.S.C. 1421 et seq.] should be amended to emphasize that providing for financial safety and soundness of the Federal Home Loan Banks is the primary mission of the Federal Housing Finance Board.

(C) whether there is a reasonable basis to believe that the affiliated party has materially violated any applicable provision of Federal or State law or regulation that has had a material effect on the financial condition of the regulated entity;

(D) whether the affiliated party was in a position of managerial or fiduciary responsibility; and

(C) Certain payments not included

For purposes of this subsection, the term “golden parachute payment” shall not include—

- (i) any payment made pursuant to a retirement plan which is qualified (or is intended to be qualified) under section 401 of title 26, or other nondiscriminatory benefit plan;

(II) the liquidation, after such date, of the amount of such payment.

(6) Certain commercial insurance coverage not treated as covered benefit payment

No provision of this subsection shall be construed as prohibiting any regulated entity from purchasing any commercial insurance policy or fidelity bond, except that, subject to any requirement described in paragraph (5)(A)(iii), such insurance policy or bond shall not cover any legal or liability expense of the regulated entity which is described in paragraph (5)(A).

Subsec. (a). Pub. L. 110-289, §1161(a)(2)(A), which directed amendment of this section by striking out subsec. (a) designation and “In general” in subsec. (a) heading, could not be executed because of the prior amendment by Pub. L. 110-289, §1116(2), (4). See below.

Pub. L. 110-289, §1116(2), (4), added subsec. (a) and redesignated former subsec. (a) as (e).

Subsec. (b). Pub. L. 110-289, §1161(a)(2)(B), which directed the striking out of subsec. (b), was not executed to reflect the probable intent of Congress. The amendment was probably intended to strike out subsec. (b) as it existed prior to being struck out by Pub. L. 110-289, §1116(3). See below.

Pub. L. 110-289, §1116(3), (4), added subsec. (b) and struck out former subsec. (b). Subsec. (e). Pub. L. 110-289, §1116(2), redesignated subsec. (a) as (e) and substituted “Outreach” for “In general” in heading and “Each regulated entity” for “Each enterprise” in text.

§ 4547. Enterprise guarantee fees

(a) Definitions

For purposes of this section, the following definitions shall apply:

(1) Guarantee fee

The term “guarantee fee”—

(A) means a fee described in subsection (b); and

(B) includes—

(i) the guaranty fee charged by the Federal National Mortgage Association with respect to mortgage-backed securities; and

(ii) the management and guarantee fee charged by the Federal Home Loan Mortgage Corporation with respect to participation certificates.

(2) Average fees

The term “average fees” means the average contractual fee rate of single-family guaranty arrangements by an enterprise entered into during 2011, plus the recognition of any up-front cash payments over an estimated average life, expressed in terms of basis points. Such definition shall be interpreted in a manner consistent with the annual report on guarantee fees by the Federal Housing Finance Agency.

(b) Increase

(1) In general

(A) Phased increase required

Subject to subsection (c), the Director shall require each enterprise to charge a guarantee fee in connection with any guarantee of the timely payment of principal and interest on securities, notes, and other obligations based on or backed by mortgages on residential real properties designed principally for occupancy of from 1 to 4 families, consummated after December 23, 2011.

(B) Amount

The amount of the increase required under this section shall be determined by the Director to appropriately reflect the risk of loss, as well¹ the cost of capital allocated to similar assets held by other fully private regulated financial institutions, but such amount shall be not less than an average increase of 10 basis points for each origination year or book year above the average fees imposed in 2011 for such guarantees. The Director shall prohibit an enterprise from offsetting the cost of the fee to mortgage origina-

tors, borrowers, and investors by decreasing other charges, fees, or premiums, or in any other manner.

(2) Authority to limit offer of guarantee

The Director shall prohibit an enterprise from consummating any offer for a guarantee to a lender for mortgage-backed securities, if—

(A) the guarantee is inconsistent with the requirements of this section; or

(B) the risk of loss is allowed to increase, through lowering of the underwriting standards or other means, for the primary purpose of meeting the requirements of this section.

(3) Deposit in Treasury

Amounts received from fee increases imposed under this section shall be deposited directly into the United States Treasury, and shall be available only to the extent provided in subsequent appropriations Acts. The fees charged pursuant to this section shall not be considered a reimbursement to the Federal Government for the costs or subsidy provided to an enterprise.

(c) Phase-in

(1) In general

The Director may provide for compliance with subsection (b) by allowing each enterprise to increase the guarantee fee charged by the enterprise gradually over the 2-year period beginning on December 23, 2011, in a manner sufficient to comply with this section. In determining a schedule for such increases, the Director shall—

(A) provide for uniform pricing among lenders;

(B) provide for adjustments in pricing based on risk levels; and

(C) take into consideration conditions in financial markets.

(2) Rule of construction

Nothing in this subsection shall be interpreted to undermine the minimum increase required by subsection (b).

(d) Information collection and annual analysis

The Director shall require each enterprise to provide to the Director, as part of its annual report submitted to Congress—

(1) a description of—

(A) changes made to up-front fees and annual fees as part of the guarantee fees negotiated with lenders;

(B) changes to the riskiness of the new borrowers compared to previous origination years or book years; and

(C) any adjustments required to improve for future origination years or book years, in order to be in complete compliance with subsection (b); and

(2) an assessment of how the changes in the guarantee fees described in paragraph (1) met the requirements of subsection (b).

(e) Enforcement

(1) Required adjustments

Based on the information from subsection (d) and any other information the Director

¹ So in original. Probably should be followed by “as”.

deems necessary, the Director shall require an enterprise to make adjustments in its guarantee fee in order to be in compliance with subsection (b).

(2) Noncompliance penalty

An enterprise that has been found to be out of compliance with subsection (b) for any 2 consecutive years shall be precluded from providing any guarantee for a period, determined by rule of the Director, but in no case less than 1 year.

(3) Rule of construction

Nothing in this subsection shall be interpreted as preventing the Director from initiating and implementing an enforcement action against an enterprise, at a time the Director deems necessary, under other existing enforcement authority.

(f) Expiration

The provisions of this section shall expire on October 1, 2032.

(c) Transition

The annual housing goals effective for 2008 pursuant to this subpart, as in effect before July 30, 2008, shall remain in effect for 2009, except that not later than the expiration of the 270-day period beginning on July 30, 2008, the Director shall review such goals applicable for 2009 to determine the feasibility of such goals given the market conditions current at such time and, after seeking public comment for a period not to exceed 30 days, may make appropriate adjustments consistent with such market conditions.

(d) Eliminating interest rate disparities

(1) In general

Upon request by the Director, an enterprise shall provide to the Director, in a form determined by the Director, data the Director may review to determine whether there exist disparities in interest rates charged on mortgages to borrowers who are minorities as compared with comparable mortgages to borrowers of similar creditworthiness who are not minorities.

(2) Remedial actions upon preliminary finding

Upon a preliminary finding by the Director that a pattern of disparities in interest rates with respect to any lender or lenders exists pursuant to the data provided by an enterprise in paragraph (1), the Director shall¹

(A) refer the preliminary finding to the appropriate regulatory or enforcement agency for further review; and

(B) require the enterprise to submit additional data with respect to any lender or lenders, as appropriate and to the extent practicable, to the Director who shall submit any such additional data to the regulatory or enforcement agency for appropriate action.

§ 4562. Single-family housing goals

(a) In general

The Director shall, by regulation, establish annual goals for the purchase by each enterprise of the following types of mortgages for the following categories of families:

(1) Purchase-money mortgages

A goal for purchase of conventional, conforming, single-family, purchase money mortgages financing owner-occupied housing for each of the following categories of families:

- (A) Low-income families.
- (B) Families that reside in low-income areas.
- (C) Very low-income families.

(2) Refinancing mortgages

A goal for purchase of conventional, conforming mortgages on owner-occupied, single-family housing for low-income families that are given to pay off or prepay an existing loan secured by the same property.

(b) Goals as a percentage of total mortgage purchases

The goals established under paragraphs (1) and (2) of subsection (a) shall be established as a percentage of the total number of conventional, conforming, single-family, owner-occupied, purchase money mortgages purchased by the enterprise, or as percentage of the total number of conventional, single-family, owner-occupied refinance mortgages purchased by the enterprise, as applicable, that are mortgages for the types of families specified in paragraphs (1) and (2) of subsection (a).

(c) Single-family, owner-occupied rental housing units

The Director shall require each enterprise to report the number of rental housing units affordable to low-income families each year which

are contained in mortgages purchased by the enterprise financing 2- to 4-unit single-family, owner-occupied properties and may, by regulation, establish additional requirements relating to such units.

(d) Determination of compliance

(1) In general

The Director shall determine, for each year that the housing goals under this section are in effect pursuant to section 4561(a) of this title, whether each enterprise has complied with each such goal established under subsection (a) of this section and any additional requirements which may be established under subsection (c) of this section.

(2) Purchase-money mortgage goals

An enterprise shall be considered to be in compliance with a housing goal under subparagraph (A), (B), or (C) of subsection (a)(1) for a year only if, for the type of family described in such subparagraph, the percentage of the number of conventional, conforming, single-family, owner-occupied, purchase money mortgages purchased by the enterprise in such year that serve such families, meets or exceeds the target for the year for such type of family that is established under subsection (e).

(3) Refinance goal

An enterprise shall be considered to be in compliance with the refinance goal under subsection (a)(2) for a year only if the percentage of the number of conventional, conforming, single-family, owner-occupied refinance mortgages purchased by the enterprise in such year that serve low-income families meets or exceeds the target for the year that is established under subsection (e).

(e) Annual targets

(1) In general

The Director shall, by regulation, establish annual targets for each goal and subgoal under this section, provided that the Director shall not set prospective targets longer than three years. In establishing such targets, the Director shall not consider segments of the market determined to be unacceptable or contrary to good lending practices, inconsistent with safety and soundness, or unauthorized for purchase by the enterprises.

(2) Goals targets

(A) Calculation

The Director shall calculate, for each of the types of families described in subsection (a), the percentage, for each of the three years that most recently precede such year and for which information under the Home Mortgage Disclosure Act of 1975 [12 U.S.C. 2801 et seq.] is publicly available—

- (i) of the number of conventional, conforming, single-family, owner-occupied purchase money mortgages originated in such year that serve such type of family, or
- (ii) the number of conventional, conforming, single-family, owner-occupied refinance mortgages originated in such year that serve low-income families,

as applicable, as determined by the Director using the information obtained and determined pursuant to paragraphs (4) and (5).

(B) Establishment of goal targets

The Director shall, by regulation, establish targets for each of the goal categories, taking into consideration the calculations under subparagraph (A) and the following factors:

- (i) National housing needs.
- (ii) Economic, housing, and demographic conditions, including expected market developments.
- (iii) The performance and effort of the enterprises toward achieving the housing goals under this section in previous years.
- (iv) The ability of the enterprise to lead the industry in making mortgage credit available.
- (v) Such other reliable mortgage data as may be available.
- (vi) The size of the purchase money conventional mortgage market, or refinance conventional mortgage market, as applicable, serving each of the types of families described in subsection (a), relative to the size of the overall purchase money mortgage market or the overall refinance mortgage market, respectively.
- (vii) The need to maintain the sound financial condition of the enterprises.

(3) Authority to adjust targets

The Director may, by regulation, adjust the percentage targets previously established by regulation pursuant to paragraph (2)(B) for any year, to reflect subsequent available data and market developments.

(4) HMDA information

The Director shall annually obtain information submitted in compliance with the Home Mortgage Disclosure Act of 1975 [12 U.S.C. 2801 et seq.] regarding conventional, conforming, single-family, owner-occupied, purchase money and refinance mortgages originated and purchased for the previous year.

(5) Conforming mortgages

In determining whether a mortgage is a conforming mortgage for purposes of this paragraph, the Director shall consider the original principal balance of the mortgage loan to be the principal balance as reported in the information referred to in paragraph (4), as rounded to the nearest thousand dollars.

(f) Notice of determination and enterprise comment

(1) Notice

Within 30 days of making a determination under subsection (d) regarding compliance of an enterprise for a year with a housing goal established under this section and before any public disclosure thereof, the Director shall provide notice of the determination to the enterprise, which shall include an analysis and comparison, by the Director, of the performance of the enterprise for the year and the targets for the year under subsection (e).

(2) Comment period

The Director shall provide each enterprise an opportunity to comment on the determina-

tion during the 30-day period beginning upon receipt by the enterprise of the notice.

(g) Use of borrower income

In monitoring the performance of each enterprise pursuant to the housing goals under this section and evaluating such performance (for purposes of section 4566 of this title), the Director shall consider a mortgagor's income to be such income at the time of origination of the mortgage.

(h) Consideration of properties with rental units

Mortgages financing two- to four-unit owner-occupied properties shall count toward the achievement of the single-family housing goals under this section, if such properties otherwise meet the requirements under this section, notwithstanding the use of one or more units for rental purposes.

(i) Goals credit

The Director shall determine whether an enterprise shall receive full, partial, or no credit for a transaction toward achievement of any of the housing goals established pursuant to section 4562 and 4563 of this title. In making any such determination, the Director shall consider whether a transaction or activity of an enterprise is substantially equivalent to a mortgage purchase and either (1) creates a new market, or (2) adds liquidity to an existing market. No credit toward the achievement of the housing goals and subgoals established under this section may be given to the purchase of mortgages, including any transaction or activity of an enterprise determined to be substantially equivalent to a mortgage purchase, that is determined to be unacceptable or contrary to good lending practices, inconsistent with safety and soundness, or unauthorized for purchase by the enterprises, pursuant to regulations issued by the Director.

§ 4563. Multifamily special affordable housing goal

(a) Establishment of goal

(1) In general

The Director shall, by regulation, establish a single annual goal, by either unit or dollar volume, of purchases by each enterprise of mortgages on multifamily housing that finance dwelling units affordable to low-income families.

(2) Additional requirements for units affordable to very low-income families

When establishing the goal under this section, the Director shall establish additional requirements for the purchase by each enterprise of mortgages on multifamily housing that finance dwelling units affordable to very low-income families.

(3) Reporting on smaller properties

The Director shall require each enterprise to report on the purchase by each enterprise of multifamily housing of a smaller or limited size that is affordable to low-income families, which may be based on multifamily projects of 5 to 50 units (as such numbers may be adjusted by the Director) or on mortgages of up to \$5,000,000 (as such amount may be adjusted by the Director), and may, by regulation, establish such additional¹ requirements related to such units.

(4) Factors

In establishing the goal and additional requirements under this section, the Director shall not consider segments of the market determined to be inconsistent with safety and soundness or unauthorized for purchase by the enterprises, and shall take into consideration—

(A) national multifamily mortgage credit needs and the ability of the enterprise to provide additional liquidity and stability for the multifamily mortgage market;

(B) the performance and effort of the enterprise in making mortgage credit available for multifamily housing in previous years;

(C) the size of the multifamily mortgage market for housing affordable to low-income and very low-income families, including the size of the multifamily markets for housing of a smaller or limited size;

(D) the ability of the enterprise to lead the market in making multifamily mortgage credit available, especially for multifamily housing described in paragraphs (1) and (2);

(E) the availability of public subsidies; and

(F) the need to maintain the sound financial condition of the enterprise.

(b) Units financed by housing finance agency bonds

The Director shall give full credit toward the achievement of the multifamily special affordable housing goal under this section (for purposes of section 4566 of this title) to dwelling units in multifamily housing that otherwise qualifies under such goal and that is financed by

tax-exempt or taxable bonds issued by a State or local housing finance agency, if such bonds, in whole or in part—

(1) are secured by a guarantee of the enterprise; or

(2) are purchased by the enterprise, except that the Director may give less than full credit for purchases of investment grade bonds, to the extent that such purchases do not provide a new market or add liquidity to an existing market.

(c) Measurement of performance

The Director shall monitor the performance of each enterprise in meeting the goals established under this section and shall evaluate such performance (for purposes of section 4566 of this title) based on whether the rent levels are affordable. A rent level shall be considered to be affordable for purposes of this subsection for low-income families if it does not exceed 30 percent of the maximum income level of such income category, with appropriate adjustments for unit size as measured by the number of bedrooms.

(d) Determination of compliance

The Director shall determine, for each year that the housing goal under this section is in effect pursuant to section 4561(a) of this title, whether each enterprise has complied with such goal and the additional requirements under subsection (a)(2).

§ 4566. Monitoring and enforcing compliance with housing goals

(a) In general

(1) Authority

The Director shall monitor and enforce compliance with the housing goals established under this subpart and with the duty under section 4565(a) of this title of each enterprise with respect to underserved markets, as provided in this section.

(2) Guidelines

The Director shall establish guidelines to measure the extent of compliance with the housing goals, which, except as provided in paragraph (5), may assign full credit, partial credit, or no credit toward achievement of the housing goals to different categories of mortgage purchase activities of the enterprises, based on such criteria as the Director deems appropriate.

(3) Extent of compliance

In determining compliance with the housing goals established under this subpart, the Director—

(A) shall consider any single mortgage purchased by an enterprise as contributing to the achievement of each housing goal for which such mortgage purchase qualifies; and

(B) may take into consideration the number of housing units financed by any mortgage on housing purchased by an enterprise.

(4) Enforcement of duty to provide mortgage credit to underserved markets

The duty under section 4565(a) of this title of each enterprise to serve underserved markets (as determined in accordance with section 4565(c) of this title) shall be enforceable under this section to the same extent and under the same provisions that the housing goals established under this subpart are enforceable. Such duty shall be enforceable only under this section, except that such duty shall not be subject to subsection (c)(7) of this section and shall not be enforceable under any other provision of this chapter (including subpart 3 of this part) or under any provision of the Federal National Mortgage Association Charter Act [12 U.S.C. 1716 et seq.] or the Federal Home Loan Mortgage Corporation Act [12 U.S.C. 1451 et seq.].

(5) Additional credit

The Director may assign additional credit toward achievement, under this section, of the housing goals for mortgage purchase activities of the enterprises that comply with the requirements of such goals and support housing that includes a licensed childcare center. The availability of additional credit under this paragraph shall not be used to increase any housing goal, subgoal, or target established under this subpart.

(b) Notice and preliminary determination of failure to meet goals

(1) Notice

If the Director preliminarily determines that an enterprise has failed, or that there is a substantial probability that an enterprise will fail, to meet any housing goal under this subpart, the Director shall provide written notice to the enterprise of such a preliminary determination, the reasons for such determination, and the information on which the Director based the determination.

(2) Response period

(A) In general

During the 30-day period beginning on the date on which an enterprise is provided notice under paragraph (1), the enterprise may submit to the Director any written information that the enterprise considers appropriate for consideration by the Director in finally determining whether such failure has occurred or whether the achievement of such goal was or is feasible.

(B) Extended period

The Director may extend the period under subparagraph (A) for good cause for not more than 30 additional days.

(C) Shortened period

The Director may shorten the period under subparagraph (A) for good cause.

(D) Failure to respond

The failure of an enterprise to provide information during the 30-day period under this paragraph (as extended or shortened) shall waive any right of the enterprise to comment on the proposed determination or action of the Director.

(3) Consideration of information and final determination

(A) In general

After the expiration of the response period under paragraph (2), or upon receipt of information provided during such period by the enterprise, whichever occurs earlier, the Director shall issue a final determination on—

(i) whether the enterprise has failed, or there is a substantial probability that the enterprise will fail, to meet the housing goal; and

(ii) whether (taking into consideration market and economic conditions and the financial condition of the enterprise) the achievement of the housing goal was or is feasible.

(B) Considerations

In making a final determination under subparagraph (A), the Director shall take into consideration any relevant information submitted by the enterprise during the response period.

(C) Notice

The Director shall provide written notice, including a response to any information submitted during the response period, to the enterprise, the Committee on Banking, Housing, and Urban Affairs of the Senate, and the Committee on Financial Services of the House of Representatives, of—

(ii) each final determination that the achievement of a housing goal was or is feasible; and

(iii) the reasons for each such final determination.

(c) Cease and desist, civil money penalties, and remedies including housing plans

(1) Requirement

If the Director finds, pursuant to subsection (b), that there is a substantial probability that an enterprise will fail, or has actually failed, to meet any housing goal under this subpart, and that the achievement of the housing goal was or is feasible, the Director may require that the enterprise submit a housing plan under this subsection. If the Director makes such a finding and the enterprise refuses to submit such a plan, submits an unacceptable plan, or fails to comply with the plan, the Director may issue a cease and desist order in accordance with section 4581 of this title and impose civil money penalties in accordance with section 4585 of this title.

(2) Housing plan

If the Director requires a housing plan under this subsection, such a plan shall be—

(A) a feasible plan describing the specific actions the enterprise will take—

(i) to achieve the goal for the next calendar year; and

(ii) if the Director determines that there is a substantial probability that the enter-

prise will fail to meet a goal in the current year, to make such improvements and changes in its operations as are reasonable in the remainder of such year; and

(B) sufficiently specific to enable the Director to monitor compliance periodically.

(3) Deadline for submission

The Director shall establish a deadline for an enterprise to submit a housing plan to the Director, which may not be more than 45 days after the enterprise is provided notice. The Director may extend the deadline to the extent that the Director determines necessary. Any extension of the deadline shall be in writing and for a time certain.

(4) Approval

The Director shall review each submission by an enterprise, including a housing plan submitted under this subsection, and, not later than 30 days after submission, approve or disapprove the plan or other action. The Director may extend the period for approval or disapproval for a single additional 30-day period if the Director determines it necessary. The Director shall approve any plan that the Director determines is likely to succeed, and conforms with the Federal National Mortgage Association Charter Act [12 U.S.C. 1716 et seq.] or the Federal Home Loan Mortgage Corporation Act [12 U.S.C. 1451 et seq.] (as applicable), this chapter, and any other applicable provision of law.

(5) Notice of approval and disapproval

The Director shall provide written notice to any enterprise submitting a housing plan of the approval or disapproval of the plan (which shall include the reasons for any disapproval of the plan) and of any extension of the period for approval or disapproval.

(6) Resubmission

If the initial housing plan submitted by an enterprise under this section is disapproved, the enterprise shall submit an amended plan acceptable to the Director not later than 15 days after such disapproval, or such longer period that the Director determines is in the public interest.

(7) Cease and desist orders; civil money penalties

Solely with respect to the housing goals established under sections 4562(a) and 4563(a)(1) of this title, if the Director requires an enterprise to submit a housing plan under this subsection and the enterprise refuses to submit such a plan, submits an unacceptable plan, or fails to comply with the plan, the Director may issue a cease and desist order in accordance with section 4581 of this title, impose civil money penalties in accordance with section 4585 of this title, exercise other appropriate enforcement authority or seek other appropriate actions.

(1) In general

Except as provided in subsection (b), the Secretary shall distribute the amounts allo-

cated for the Housing Trust Fund under this section to provide affordable housing as described in this subsection.

(2) Permissible designees

A State receiving grant amounts under this subsection may designate a State housing finance agency, housing and community development entity, tribally designated housing entity (as such term is defined in section 4103 of title 25), or any other qualified instrumentality of the State to receive such grant amounts.

(3) Distribution to States by needs-based formula

(A) In general

The Secretary shall, by regulation, establish a formula within 12 months of July 30, 2008, to distribute amounts made available under this subsection to each State to provide affordable housing to extremely low- and very low-income households.

(I) means the cost of construction or building rehabilitation in the State relative to the national cost of construction or building rehabilitation; and

(II) shall be calculated such that values higher than 1.0 indicate that the

State’s construction costs are higher than the national average, a value of 1.0 indicates that the State’s construction costs are exactly the same as the national average, and values lower than 1.0 indicate that the State’s cost of construction are lower than the national average.

(C) Priority

(4) Allocation of grant amounts

(A) Notice

(2) 0.45 percent of the unpaid principal balance of outstanding mortgage-backed securities and substantially equivalent instruments

issued or guaranteed by the enterprise that are not included in paragraph (1); and

(b) Federal Home Loan Banks

For purposes of this subchapter, the minimum capital level for each Federal Home Loan Bank shall be the minimum capital required to be maintained to comply with the leverage requirement for the bank established under section 1426(a)(2) of this title.

(c) Establishment of revised minimum capital levels

Notwithstanding subsections (a) and (b) and notwithstanding the capital classifications of the regulated entities, the Director may, by regulations issued under section 4526 of this title, establish a minimum capital level for the enterprises, for the Federal Home Loan Banks, or for both the enterprises and the banks, that is higher than the level specified in subsection (a) for the enterprises or the level specified in subsection (b) for the Federal Home Loan Banks, to the extent needed to ensure that the regulated entities operate in a safe and sound manner.

(B) the standards and procedures that the Director will use to make the determination referred to in paragraph (2); and

(a) Grounds for issuance

(1) In general

If the Director determines that the actions specified in the notice of charges served upon a regulated entity or any entity-affiliated party pursuant to section 4631(a) of this title, or the continuation thereof, is likely to cause insolvency or significant dissipation of assets or earnings of that entity, or is likely to weaken the condition of that entity prior to the completion of the proceedings conducted pursuant to sections 4631 and 4633 of this title, the Director may—

(A) issue a temporary order requiring that regulated entity or entity-affiliated party to cease and desist from any such violation or practice; and

(B) require that regulated entity or entity-affiliated party to take affirmative action to prevent or remedy such insolvency, dissipation, condition, or prejudice pending completion of such proceedings.

¹ So in original. Probably should be “to make”.

² So in original.

(2) Additional requirements

An order issued under paragraph (1) may include any requirement authorized under subsection 4631(d) of this title.

(b) Effective date

An order issued pursuant to subsection (a) shall become effective upon service upon the regulated entity, executive officer, director, or entity-affiliated party and, unless set aside, limited, or suspended by a court in proceedings pursuant to subsection (d), shall remain in effect and enforceable pending the completion of the proceedings pursuant to such notice and shall remain effective until the Director dismisses the charges specified in the notice or until superseded by a cease-and-desist order issued pursuant to section 4631 of this title.

(c) Incomplete or inaccurate records**(1) Temporary order**

If a notice of charges served under section 4631(a) or (b) of this title specifies on the basis of particular facts and circumstances that the books and records of the regulated entity served are so incomplete or inaccurate that the Director is unable, through the normal supervisory process, to determine the financial condition of the regulated entity or the details or the purpose of any transaction or transactions that may have a material effect on the financial condition of that regulated entity, the Director may issue a temporary order requiring—

(A) the cessation of any activity or practice which gave rise, whether in whole or in part, to the incomplete or inaccurate state of the books or records; or

(B) affirmative action to restore the books or records to a complete and accurate state.

(2) Effective period

Any temporary order issued under paragraph (1)—

(A) shall become effective upon service; and

(B) unless set aside, limited, or suspended by a court in proceedings pursuant to subsection (d), shall remain in effect and enforceable until the earlier of—

(i) the completion of the proceeding initiated under section 4631 of this title in connection with the notice of charges; or

(ii) the date the Director determines, by examination or otherwise, that the books and records of the regulated entity are accurate and reflect the financial condition of the regulated entity.

(d) Judicial review

A regulated entity, executive officer, director, or entity-affiliated party that has been served with a temporary order pursuant to this section may apply to the United States District Court for the District of Columbia within 10 days after such service for an injunction setting aside, limiting, or suspending the enforcement, operation, or effectiveness of the order pending the completion of the administrative proceedings pursuant to the notice of charges served upon the enterprise, executive officer, director, or entity-affiliated party under section 4631(a) or (b) of this

title. Such court shall have jurisdiction to issue such injunction.

(e) Enforcement by Attorney General

In the case of violation or threatened violation of, or failure to obey, a temporary order issued pursuant to this section, the Director may bring an action in the United States District Court for the District of Columbia for an injunction to enforce such order. If the court finds any such violation, threatened violation, or failure to obey, the court shall issue such injunction.
