(f) Emergency exception

(1) In general

The Council may waive or modify the requirements of subsection (e) with respect to a nonbank financial company, if the Council determines, by a vote of not fewer than $\frac{2}{3}$ of the voting members then serving, including an affirmative vote by the Chairperson, that such waiver or modification is necessary or appropriate to prevent or mitigate threats posed by the nonbank financial company to the financial stability of the United States.

(2) Notice

The Council shall provide notice of a waiver or modification under this subsection to the nonbank financial company concerned as soon as practicable, but not later than 24 hours after the waiver or modification is granted.

§ 5325. Enhanced supervision and prudential standards for nonbank financial companies supervised by the Board of Governors and certain bank holding companies

(a) In general

(1) Purpose

In order to prevent or mitigate risks to the financial stability of the United States that could arise from the material financial distress, failure, or ongoing activities of large, interconnected financial institutions, the Council may make recommendations to the Board of Governors concerning the establishment and refinement of prudential standards and reporting and disclosure requirements applicable to nonbank financial companies supervised by the Board of Governors and large, interconnected bank holding companies, that—

(A) are more stringent than those applicable to other nonbank financial companies and bank holding companies that do not present similar risks to the financial stability of the United States; and

(B) increase in stringency, based on the considerations identified in subsection (b)(3).

(2) Recommended application of required standards

In making recommendations under this section, the Council may—

(A) differentiate among companies that are subject to heightened standards on an individual basis or by category, taking into consideration their capital structure, riskiness, complexity, financial activities (including the financial activities of their subsidiaries), size, and any other risk-related

factors that the Council deems appropriate; or

(B) recommend an asset threshold that is higher than the applicable threshold for the application of any standard described in subsections (c) through (g).

(b) Development of prudential standards

(1) In general

The recommendations of the Council under subsection (a) may include—

- (A) risk-based capital requirements;
- (B) leverage limits;
- (C) liquidity requirements;
- (D) resolution plan and credit exposure report requirements;
- (E) concentration limits;
- (F) a contingent capital requirement;
- (G) enhanced public disclosures;
- (H) short-term debt limits; and
- (I) overall risk management requirements.

(2) Prudential standards for foreign financial companies

In making recommendations concerning the standards set forth in paragraph (1) that would apply to foreign nonbank financial companies supervised by the Board of Governors or foreign-based bank holding companies, the Council shall—

- (A) give due regard to the principle of national treatment and equality of competitive opportunity; and
- (B) take into account the extent to which the foreign nonbank financial company or foreign-based bank holding company is subject on a consolidated basis to home country standards that are comparable to those applied to financial companies in the United States.

(3) Considerations

In making recommendations concerning prudential standards under paragraph (1), the Council shall—

- (A) take into account differences among nonbank financial companies supervised by the Board of Governors and bank holding companies described in subsection (a), based on—
 - (i) the factors described in subsections (a) and (b) of section 5323 of this title;
 - (ii) whether the company owns an insured depository institution;
 - (iii) nonfinancial activities and affiliations of the company; and
 - (iv) any other factors that the Council determines appropriate;

(B) to the extent possible, ensure that small changes in the factors listed in subsections (a) and (b) of section 5323 of this title would not result in sharp, discontinuous changes in the prudential standards established under section 5365 of this title; and

(C) adapt its recommendations as appropriate in light of any predominant line of business of such company, including assets under management or other activities for which particular standards may not be appropriate.

(c) Contingent capital

(1) Study required

The Council shall conduct a study of the feasibility, benefits, costs, and structure of a contingent capital requirement for nonbank financial companies supervised by the Board of Governors and bank holding companies described in subsection (a), which study shall include—

(A) an evaluation of the degree to which such requirement would enhance the safety and soundness of companies subject to the requirement, promote the financial stability of the United States, and reduce risks to United States taxpayers;

(B) an evaluation of the characteristics and amounts of contingent capital that should be required;

(C) an analysis of potential prudential standards that should be used to determine whether the contingent capital of a company would be converted to equity in times of financial stress;

(D) an evaluation of the costs to companies, the effects on the structure and operation of credit and other financial markets, and other economic effects of requiring contingent capital;

(E) an evaluation of the effects of such requirement on the international competitiveness of companies subject to the requirement and the prospects for international coordination in establishing such requirement; and

(F) recommendations for implementing regulations.

(2) Report

The Council shall submit a report to Congress regarding the study required by paragraph (1) not later than 2 years after July 21, 2010.

(3) Recommendations

(A) In general

Subsequent to submitting a report to Congress under paragraph (2), the Council may make recommendations to the Board of Governors to require any nonbank financial company supervised by the Board of Governors and any bank holding company described in subsection (a) to maintain a minimum amount of contingent capital that is convertible to equity in times of financial stress.

(B) Factors to consider

In making recommendations under this subsection, the Council shall consider—

(i) an appropriate transition period for implementation of a conversion under this subsection;

(ii) the factors described in subsection (b)(3);

(iii) capital requirements applicable to a nonbank financial company supervised by the Board of Governors or a bank holding company described in subsection (a), and subsidiaries thereof;

(iv) results of the study required by paragraph (1); and

(v) any other factor that the Council deems appropriate.

(d) Resolution plan and credit exposure reports

(1) Resolution plan

The Council may make recommendations to the Board of Governors concerning the requirement that each nonbank financial company supervised by the Board of Governors and each bank holding company described in subsection (a) report periodically to the Council, the Board of Governors, and the Corporation, the plan of such company for rapid and orderly resolution in the event of material financial distress or failure.

(2) Credit exposure report

The Council may make recommendations to the Board of Governors concerning the advisability of requiring each nonbank financial company supervised by the Board of Governors and bank holding company described in subsection (a) to report periodically to the Council, the Board of Governors, and the Corporation on—

(A) the nature and extent to which the company has credit exposure to other significant nonbank financial companies and significant bank holding companies; and

(B) the nature and extent to which other such significant nonbank financial companies and significant bank holding companies have credit exposure to that company.

(e) Concentration limits

In order to limit the risks that the failure of any individual company could pose to nonbank financial companies supervised by the Board of Governors or bank holding companies described in subsection (a), the Council may make recommendations to the Board of Governors to prescribe standards to limit such risks, as set forth in section 5365 of this title.

(f) Enhanced public disclosures

The Council may make recommendations to the Board of Governors to require periodic public disclosures by bank holding companies described in subsection (a) and by nonbank financial companies supervised by the Board of Governors, in order to support market evaluation of the risk profile, capital adequacy, and risk management capabilities thereof.

(g) Short-term debt limits

The Council may make recommendations to the Board of Governors to require short-term debt limits to mitigate the risks that an over-accumulation of such debt could pose to bank holding companies described in subsection (a), nonbank financial companies supervised by the Board of Governors, or the financial system.

§ 5330. Additional standards applicable to activities or practices for financial stability purposes

(a) In general

The Council may provide for more stringent regulation of a financial activity by issuing recommendations to the primary financial regulatory agencies to apply new or heightened standards and safeguards, including standards enumerated in section 5325 of this title, for a fi-

ancial activity or practice conducted by bank holding companies or nonbank financial companies under their respective jurisdictions, if the Council determines that the conduct, scope, nature, size, scale, concentration, or interconnectedness of such activity or practice could create or increase the risk of significant liquidity, credit, or other problems spreading among bank holding companies and nonbank financial companies, financial markets of the United States, or low-income, minority, or underserved communities.

(b) Procedure for recommendations to regulators

(1) Notice and opportunity for comment

The Council shall consult with the primary financial regulatory agencies and provide notice to the public and opportunity for comment for any proposed recommendation that the primary financial regulatory agencies apply new or heightened standards and safeguards for a financial activity or practice.

(2) Criteria

The new or heightened standards and safeguards for a financial activity or practice recommended under paragraph (1)—

(A) shall take costs to long-term economic growth into account; and

(B) may include prescribing the conduct of the activity or practice in specific ways (such as by limiting its scope, or applying particular capital or risk management requirements to the conduct of the activity) or prohibiting the activity or practice.

(c) Implementation of recommended standards

(1) Role of primary financial regulatory agency

(A) In general

Each primary financial regulatory agency may impose, require reports regarding, examine for compliance with, and enforce standards in accordance with this section with respect to those entities for which it is the primary financial regulatory agency.

(B) Rule of construction

The authority under this paragraph is in addition to, and does not limit, any other authority of a primary financial regulatory agency. Compliance by an entity with actions taken by a primary financial regulatory agency under this section shall be enforceable in accordance with the statutes governing the respective jurisdiction of the primary financial regulatory agency over the entity, as if the agency action were taken under those statutes.

(2) Imposition of standards

The primary financial regulatory agency shall impose the standards recommended by the Council in accordance with subsection (a), or similar standards that the Council deems acceptable, or shall explain in writing to the Council, not later than 90 days after the date on which the Council issues the recommendation, why the agency has determined not to follow the recommendation of the Council.

(d) Report to Congress

The Council shall report to Congress on—

¹ See References in Text note below.

(1) any recommendations issued by the Council under this section;

(2) the implementation of, or failure to implement, such recommendation on the part of a primary financial regulatory agency; and

(e) Effect of rescission of identification

(1) Notice

The Council may recommend to the relevant primary financial regulatory agency that a financial activity or practice no longer requires any standards or safeguards implemented under this section.

(2) Determination of primary financial regulatory agency to continue

(A) In general

Upon receipt of a recommendation under paragraph (1), a primary financial regulatory agency that has imposed standards under this section shall determine whether such standards should remain in effect.

(B) Appeal process

Each primary financial regulatory agency that has imposed standards under this section shall promulgate regulations to establish a procedure under which entities under its jurisdiction may appeal a determination by such agency under this paragraph that standards imposed under this section should remain in effect.

§ 5331. Mitigation of risks to financial stability

(a) Mitigatory actions

If the Board of Governors determines that a bank holding company with total consolidated assets of \$250,000,000,000 or more, or a nonbank financial company supervised by the Board of Governors, poses a grave threat to the financial stability of the United States, the Board of Governors, upon an affirmative vote of not fewer than $\frac{2}{3}$ of the voting members of the Council then serving, shall—

(1) limit the ability of the company to merge with, acquire, consolidate with, or otherwise become affiliated with another company;

(2) restrict the ability of the company to offer a financial product or products;

(3) require the company to terminate one or more activities;

(4) impose conditions on the manner in which the company conducts 1 or more activities; or

(5) if the Board of Governors determines that the actions described in paragraphs (1) through (4) are inadequate to mitigate a threat to the financial stability of the United States in its recommendation, require the company to sell or otherwise transfer assets or

off-balance-sheet items to unaffiliated entities.

(b) Notice and hearing

(1) In general

The Board of Governors, in consultation with the Council, shall provide to a company described in subsection (a) written notice that such company is being considered for mitigatory action pursuant to this section, including an explanation of the basis for, and description of, the proposed mitigatory action.

(2) Hearing

Upon receipt of a timely request, the Board of Governors shall fix a time (not later than 30 days after the date of receipt of the request) and place at which such company may appear, personally or through counsel, to submit written materials (or, at the discretion of the Board of Governors, in consultation with the Council, oral testimony and oral argument).

(3) Decision

Not later than 60 days after the date of a hearing under paragraph (2), or not later than 60 days after the provision of a notice under paragraph (1) if no hearing was held, the Board of Governors shall notify the company of the final decision of the Board of Governors, including the results of the vote of the Council, as described in subsection (a).

The Board of Governors and the Council shall take into consideration the factors set forth in subsection (a) or (b) of section 5323 of this title, as applicable, in making any determination under subsection (a).

(1) giving due regard to the principle of national treatment and equality of competitive opportunity; and

(2) taking into account the extent to which the foreign nonbank financial company or foreign-based bank holding company is subject on a consolidated basis to home country standards that are comparable to those applied to financial companies in the United States.

§ 5365. Enhanced supervision and prudential standards for nonbank financial companies supervised by the Board of Governors and certain bank holding companies

(a) In general

(1) Purpose

In order to prevent or mitigate risks to the financial stability of the United States that could arise from the material financial distress or failure, or ongoing activities, of large, interconnected financial institutions, the Board of Governors shall, on its own or pursuant to recommendations by the Council under section 5325 of this title, establish prudential standards for nonbank financial companies supervised by the Board of Governors and bank holding companies with total consolidated assets equal to or greater than \$250,000,000,000 that—

- (A) are more stringent than the standards and requirements applicable to nonbank financial companies and bank holding companies that do not present similar risks to the financial stability of the United States; and
- (B) increase in stringency, based on the considerations identified in subsection (b)(3).

(2) Tailored application

(A) In general

In prescribing more stringent prudential standards under this section, the Board of Governors shall, on its own or pursuant to a recommendation by the Council in accordance with section 5325 of this title, differentiate among companies on an individual basis or by category, taking into consideration their capital structure, riskiness, complexity, financial activities (including the financial activities of their subsidiaries), size, and any other risk-related factors that the Board of Governors deems appropriate.

(B) Adjustment of threshold for application of certain standards

The Board of Governors may, pursuant to a recommendation by the Council in accordance with section 5325 of this title, establish an asset threshold above the applicable threshold for the application of any standard

established under subsections (c) through (g).

(C) Risks to financial stability and safety and soundness

The Board of Governors may by order or rule promulgated pursuant to section 553 of title 5 apply any prudential standard established under this section to any bank holding company or bank holding companies with total consolidated assets equal to or greater than \$100,000,000,000 to which the prudential standard does not otherwise apply provided that the Board of Governors—

(i) determines that application of the prudential standard is appropriate—

(I) to prevent or mitigate risks to the financial stability of the United States, as described in paragraph (1); or

(II) to promote the safety and soundness of the bank holding company or bank holding companies; and

(ii) takes into consideration the bank holding company's or bank holding companies' capital structure, riskiness, complexity, financial activities (including financial activities of subsidiaries), size, and any other risk-related factors that the Board of Governors deems appropriate.

(b) Development of prudential standards

(1) In general

(A) Required standards

The Board of Governors shall establish prudential standards for nonbank financial companies supervised by the Board of Governors and bank holding companies described in subsection (a), that shall include—

(i) risk-based capital requirements and leverage limits, unless the Board of Governors, in consultation with the Council, determines that such requirements are not appropriate for a company subject to more stringent prudential standards because of the activities of such company (such as investment company activities or assets under management) or structure, in which case, the Board of Governors shall apply other standards that result in similarly stringent risk controls;

(ii) liquidity requirements;

(iii) overall risk management requirements;

(iv) resolution plan requirements; and

(v) concentration limits.

(B) Additional standards authorized

The Board of Governors may establish additional prudential standards for nonbank financial companies supervised by the Board of Governors and bank holding companies described in subsection (a), that include—

(i) a contingent capital requirement;

(ii) enhanced public disclosures, including credit exposure reports;

(iii) short-term debt limits; and

(iv) such other prudential standards as the Board or Governors, on its own or pursuant to a recommendation made by the Council in accordance with section 5325 of this title, determines are appropriate.

(2) Standards for foreign financial companies

In applying the standards set forth in paragraph (1) to any foreign nonbank financial company supervised by the Board of Governors or foreign-based bank holding company, the Board of Governors shall—

(A) give due regard to the principle of national treatment and equality of competitive opportunity; and

(B) take into account the extent to which the foreign financial company is subject on a consolidated basis to home country standards that are comparable to those applied to financial companies in the United States.

(3) Considerations

In prescribing prudential standards under paragraph (1), the Board of Governors shall—

(A) take into account differences among nonbank financial companies supervised by the Board of Governors and bank holding companies described in subsection (a), based on—

(i) the factors described in subsections (a) and (b) of section 5323 of this title;

(ii) whether the company owns an insured depository institution;

(iii) nonfinancial activities and affiliations of the company; and

(iv) any other risk-related factors that the Board of Governors determines appropriate;

(B) to the extent possible, ensure that small changes in the factors listed in subsections (a) and (b) of section 5323 of this title would not result in sharp, discontinuous changes in the prudential standards established under paragraph (1) of this subsection;

(C) take into account any recommendations of the Council under section 5325 of this title; and

(D) adapt the required standards as appropriate in light of any predominant line of business of such company, including assets under management or other activities for which particular standards may not be appropriate.

(4) Consultation

Before imposing prudential standards or any other requirements pursuant to this section, including notices of deficiencies in resolution plans and more stringent requirements or divestiture orders resulting from such notices, that are likely to have a significant impact on a functionally regulated subsidiary or depository institution subsidiary of a nonbank financial company supervised by the Board of Governors or a bank holding company described in subsection (a), the Board of Governors shall consult with each Council member that primarily supervises any such subsidiary with respect to any such standard or requirement.

(5) Report

The Board of Governors shall submit an annual report to Congress regarding the implementation of the prudential standards required pursuant to paragraph (1), including the use of such standards to mitigate risks to the financial stability of the United States.

(c) Contingent capital**(1) In general**

Subsequent to submission by the Council of a report to Congress under section 5325(c) of this title, the Board of Governors may issue regulations that require each nonbank financial company supervised by the Board of Governors and bank holding companies described in subsection (a) to maintain a minimum amount of contingent capital that is convertible to equity in times of financial stress.

(2) Factors to consider

In issuing regulations under this subsection, the Board of Governors shall consider—

- (A) the results of the study undertaken by the Council, and any recommendations of the Council, under section 5325(c) of this title;
- (B) an appropriate transition period for implementation of contingent capital under this subsection;
- (C) the factors described in subsection (b)(3)(A);
- (D) capital requirements applicable to the nonbank financial company supervised by the Board of Governors or a bank holding company described in subsection (a), and subsidiaries thereof; and
- (E) any other factor that the Board of Governors deems appropriate.

(d) Resolution plan and credit exposure reports**(1) Resolution plan**

The Board of Governors shall require each nonbank financial company supervised by the Board of Governors and bank holding companies described in subsection (a) to report periodically to the Board of Governors, the Council, and the Corporation the plan of such company for rapid and orderly resolution in the event of material financial distress or failure, which shall include—

- (A) information regarding the manner and extent to which any insured depository institution affiliated with the company is adequately protected from risks arising from the activities of any nonbank subsidiaries of the company;
- (B) full descriptions of the ownership structure, assets, liabilities, and contractual obligations of the company;
- (C) identification of the cross-guarantees tied to different securities, identification of major counterparties, and a process for determining to whom the collateral of the company is pledged; and
- (D) any other information that the Board of Governors and the Corporation jointly require by rule or order.

(2) Credit exposure report

The Board of Governors may require each nonbank financial company supervised by the Board of Governors and bank holding companies described in subsection (a) to report periodically to the Board of Governors, the Council, and the Corporation on—

- (A) the nature and extent to which the company has credit exposure to other significant nonbank financial companies and significant bank holding companies; and

(B) the nature and extent to which other significant nonbank financial companies and significant bank holding companies have credit exposure to that company.

(3) Review

The Board of Governors and the Corporation shall review the information provided in accordance with this subsection by each nonbank financial company supervised by the Board of Governors and bank holding company described in subsection (a).

(4) Notice of deficiencies

If the Board of Governors and the Corporation jointly determine, based on their review under paragraph (3), that the resolution plan of a nonbank financial company supervised by the Board of Governors or a bank holding company described in subsection (a) is not credible or would not facilitate an orderly resolution of the company under title 11—

- (A) the Board of Governors and the Corporation shall notify the company of the deficiencies in the resolution plan; and
- (B) the company shall resubmit the resolution plan within a timeframe determined by the Board of Governors and the Corporation, with revisions demonstrating that the plan is credible and would result in an orderly resolution under title 11, including any proposed changes in business operations and corporate structure to facilitate implementation of the plan.

(5) Failure to resubmit credible plan**(A) In general**

If a nonbank financial company supervised by the Board of Governors or a bank holding company described in subsection (a) fails to timely resubmit the resolution plan as required under paragraph (4), with such revisions as are required under subparagraph (B), the Board of Governors and the Corporation may jointly impose more stringent capital, leverage, or liquidity requirements, or restrictions on the growth, activities, or operations of the company, or any subsidiary thereof, until such time as the company resubmits a plan that remedies the deficiencies.

(B) Divestiture

The Board of Governors and the Corporation, in consultation with the Council, may jointly direct a nonbank financial company supervised by the Board of Governors or a bank holding company described in subsection (a), by order, to divest certain assets or operations identified by the Board of Governors and the Corporation, to facilitate an orderly resolution of such company under title 11, in the event of the failure of such company, in any case in which—

- (i) the Board of Governors and the Corporation have jointly imposed more stringent requirements on the company pursuant to subparagraph (A); and
- (ii) the company has failed, within the 2-year period beginning on the date of the imposition of such requirements under subparagraph (A), to resubmit the resolu-

tion plan with such revisions as were required under paragraph (4)(B).

(6) No limiting effect

A resolution plan submitted in accordance with this subsection shall not be binding on a bankruptcy court, a receiver appointed under subchapter II, or any other authority that is authorized or required to resolve the nonbank financial company supervised by the Board, any bank holding company, or any subsidiary or affiliate of the foregoing.

(7) No private right of action

No private right of action may be based on any resolution plan submitted in accordance with this subsection.

(8) Rules

Not later than 18 months after July 21, 2010, the Board of Governors and the Corporation shall jointly issue final rules implementing this subsection.

(e) Concentration limits

(1) Standards

In order to limit the risks that the failure of any individual company could pose to a nonbank financial company supervised by the Board of Governors or a bank holding company described in subsection (a), the Board of Governors, by regulation, shall prescribe standards that limit such risks.

(2) Limitation on credit exposure

The regulations prescribed by the Board of Governors under paragraph (1) shall prohibit each nonbank financial company supervised by the Board of Governors and bank holding company described in subsection (a) from having credit exposure to any unaffiliated company that exceeds 25 percent of the capital stock and surplus (or such lower amount as the Board of Governors may determine by regulation to be necessary to mitigate risks to the financial stability of the United States) of the company.

(3) Credit exposure

For purposes of paragraph (2), “credit exposure” to a company means—

(A) all extensions of credit to the company, including loans, deposits, and lines of credit;

(B) all repurchase agreements and reverse repurchase agreements with the company, and all securities borrowing and lending transactions with the company, to the extent that such transactions create credit exposure for the nonbank financial company supervised by the Board of Governors or a bank holding company described in subsection (a);

(C) all guarantees, acceptances, or letters of credit (including endorsement or standby letters of credit) issued on behalf of the company;

(D) all purchases of or investment in securities issued by the company;

(E) counterparty credit exposure to the company in connection with a derivative transaction between the nonbank financial company supervised by the Board of Gov-

ernors or a bank holding company described in subsection (a) and the company; and

(F) any other similar transactions that the Board of Governors, by regulation, determines to be a credit exposure for purposes of this section.

(4) Attribution rule

For purposes of this subsection, any transaction by a nonbank financial company supervised by the Board of Governors or a bank holding company described in subsection (a) with any person is a transaction with a company, to the extent that the proceeds of the transaction are used for the benefit of, or transferred to, that company.

(5) Rulemaking

The Board of Governors may issue such regulations and orders, including definitions consistent with this section, as may be necessary to administer and carry out this subsection.

(6) Exemptions

This subsection shall not apply to any Federal home loan bank. The Board of Governors may, by regulation or order, exempt transactions, in whole or in part, from the definition of the term “credit exposure” for purposes of this subsection, if the Board of Governors finds that the exemption is in the public interest and is consistent with the purpose of this subsection.

(7) Transition period

(A) In general

This subsection and any regulations and orders of the Board of Governors under this subsection shall not be effective until 3 years after July 21, 2010.

(B) Extension authorized

The Board of Governors may extend the period specified in subparagraph (A) for not longer than an additional 2 years.

(f) Enhanced public disclosures

The Board of Governors may prescribe, by regulation, periodic public disclosures by nonbank financial companies supervised by the Board of Governors and bank holding companies described in subsection (a) in order to support market evaluation of the risk profile, capital adequacy, and risk management capabilities thereof.

(g) Short-term debt limits

(1) In general

In order to mitigate the risks that an over-accumulation of short-term debt could pose to financial companies and to the stability of the United States financial system, the Board of Governors may, by regulation, prescribe a limit on the amount of short-term debt, including off-balance sheet exposures, that may be accumulated by any bank holding company described in subsection (a) and any nonbank financial company supervised by the Board of Governors.

(2) Basis of limit

Any limit prescribed under paragraph (1) shall be based on the short-term debt of the

company described in paragraph (1) as a percentage of capital stock and surplus of the company or on such other measure as the Board of Governors considers appropriate.

(3) Short-term debt defined

For purposes of this subsection, the term “short-term debt” means such liabilities with short-dated maturity that the Board of Governors identifies, by regulation, except that such term does not include insured deposits.

(4) Rulemaking authority

In addition to prescribing regulations under paragraphs (1) and (3), the Board of Governors may prescribe such regulations, including definitions consistent with this subsection, and issue such orders, as may be necessary to carry out this subsection.

(5) Authority to issue exemptions and adjustments

Notwithstanding the Bank Holding Company Act of 1956 (12 U.S.C. 1841 et seq.), the Board of Governors may, if it determines such action is necessary to ensure appropriate heightened prudential supervision, with respect to a company described in paragraph (1) that does not control an insured depository institution, issue to such company an exemption from or adjustment to the limit prescribed under paragraph (1).

(h) Risk committee

(1) Nonbank financial companies supervised by the Board of Governors

(B) Necessary actions

Notwithstanding subparagraph (A), the Board of Governors shall require a nonbank financial company supervised by the Board of Governors to establish an intermediate holding company if the Board of Governors makes a determination that the establishment of such intermediate holding company is necessary to—

(ii) to¹ ensure that supervision by the Board of Governors does not extend to the commercial activities of such nonbank financial company.

(2) Internal financial activities

For purposes of this subsection, activities that are determined to be financial in nature or incidental thereto under section 1843(k) of this title, as described in paragraph (1), shall not include internal financial activities, including internal treasury, investment, and employee benefit functions. With respect to any internal financial activity engaged in for the company or an affiliate and a non-affiliate of such company during the year prior to July 21, 2010, such company (or an affiliate that is not an intermediate holding company or subsidiary of an intermediate holding company) may continue to engage in such activity, as long as not less than 2/3 of the assets or 2/3 of the revenues generated from the activity are from or attributable to such company or an affiliate, subject to review by the Board of Governors, to determine whether engaging in such activity presents undue risk to such company or to the financial stability of the United States.

(3) Source of strength

A company that directly or indirectly controls an intermediate holding company established under this section shall serve as a source of strength to its subsidiary intermediate holding company.

(4) Parent company reports

The Board of Governors may, from time to time, require reports under oath from a company that controls an intermediate holding company, and from the appropriate officers or directors of such company, solely for purposes

of ensuring compliance with the provisions of this section, including assessing the ability of the company to serve as a source of strength to its subsidiary intermediate holding company pursuant to paragraph (3) and enforcing such compliance.

(5) Limited parent company enforcement

(A) In general

In addition to any other authority of the Board of Governors, the Board of Governors may enforce compliance with the provisions of this subsection that are applicable to any company described in paragraph (1) that controls an intermediate holding company under section 8 of the Federal Deposit Insurance Act [12 U.S.C. 1818], and such company shall be subject to such section (solely for such purposes) in the same manner and to the same extent as if such company were a bank holding company.

(B) Application of other Act

Any violation of this subsection by any company that controls an intermediate holding company may also be treated as a violation of the Federal Deposit Insurance Act [12 U.S.C. 1811 et seq.] for purposes of subparagraph (A).

(C) No effect on other authority

No provision of this paragraph shall be construed as limiting any authority of the Board of Governors or any other Federal agency under any other provision of law.

(c) Regulations

The Board of Governors—

(1) shall promulgate regulations to establish the criteria for determining whether to require a nonbank financial company supervised by the Board of Governors to establish an intermediate holding company under subsection (b); and

(B) Preferential transfers

For purposes of—

(i) subparagraphs (A) and (B)—

(I) the term “insider” has the same meaning as in section 101(31) of the Bankruptcy Code;

(II) a transfer is made when such transfer is so perfected that a bona fide purchaser from the covered financial company against whom applicable law permits such transfer to be perfected cannot acquire an interest in the property transferred that is superior to the interest in such property of the transferee, but if such transfer is not so perfected before the date on which the Corporation is appointed as receiver for the covered financial company, such transfer is made immediately before the date of such appointment; and

(III) the term “value” means property, or satisfaction or securing of a present or antecedent debt of the covered financial company, but does not include an unperformed promise to furnish support to the covered financial company; and

(i) the claim of the creditor against the covered financial company is disallowed;

(ii) the claim was transferred, by an entity other than the covered financial company, to the creditor—

(I) after the Corporation was appointed as receiver of the covered financial company; or

(II)(aa) after the 90-day period preceding the date on which the Corporation was appointed as receiver for the covered financial company; and

(bb) while the covered financial company was insolvent (except for a setoff in connection with a qualified financial contract); or

(iii) the debt owed to the covered financial company was incurred by the covered financial company—

(I) after the 90-day period preceding the date on which the Corporation was appointed as receiver for the covered financial company;

(II) while the covered financial company was insolvent; and

(III) for the purpose of obtaining a right of setoff against the covered financial company (except for a setoff in connection with a qualified financial contract).

(B) Insufficiency**(i) In general**

Except with respect to a setoff in connection with a qualified financial contract, if a creditor offsets a mutual debt owed to the covered financial company against a claim of the covered financial company on or within the 90-day period preceding the date on which the Corporation is appointed as receiver for the covered financial company, the Corporation may recover from the creditor the amount so offset, to the extent that any insufficiency on the date of such setoff is less than the insufficiency on the later of—

(I) the date that is 90 days before the date on which the Corporation is appointed as receiver for the covered financial company; or

(II) the first day on which there is an insufficiency during the 90-day period preceding the date on which the Corporation is appointed as receiver for the covered financial company.

In this subparagraph, the term “insufficiency” means the amount, if any, by

which a claim against the covered financial company exceeds a mutual debt owed to the covered financial company by the holder of such claim.

(C) Insolvency

The term “insolvent” has the same meaning as in section 101(32) of the Bankruptcy Code.

(D) Presumption of insolvency

For purposes of this paragraph, the covered financial company is presumed to have been insolvent on and during the 90-day period preceding the date of appointment of the Corporation as receiver.

(E) Limitation

Nothing in this paragraph (12) shall be the basis for any right of setoff where no such right exists under applicable noninsolvency law.

(F) Priority claim

Except as otherwise provided in this subchapter, the Corporation as receiver for the covered financial company may sell or transfer any assets free and clear of the setoff rights of any party, except that such party shall be entitled to a claim, subordinate to the claims payable under subparagraphs (A), (B), (C), and (D) of subsection (b)(1), but senior to all other unsecured liabilities defined in subsection (b)(1)(E), in an amount equal to the value of such setoff rights.

(13) Attachment of assets and other injunctive relief

(14) Standards**(A) Showing**

Rule 65 of the Federal Rules of Civil Procedure shall apply with respect to any proceeding under paragraph (13), without regard to the requirement that the applicant show that the injury, loss, or damage is irreparable and immediate.

(B) State proceeding

If, in the case of any proceeding in a State court, the court determines that rules of civil procedure available under the laws of the State provide substantially similar protections of the right of the parties to due process as provided under Rule 65 (as modified with respect to such proceeding by subparagraph (A)), the relief sought by the Corporation pursuant to paragraph (14) may be requested under the laws of such State.

(15) Treatment of claims arising from breach of contracts executed by the Corporation as receiver

Notwithstanding any other provision of this subchapter, any final and non-appealable judg-

ment for monetary damages entered against the Corporation as receiver for a covered financial company for the breach of an agreement executed or approved by the Corporation after the date of its appointment shall be paid as an administrative expense of the receiver. Nothing in this paragraph shall be construed to limit the power of a receiver to exercise any rights under contract or law, including to terminate, breach, cancel, or otherwise discontinue such agreement.

(16) Accounting and recordkeeping requirements

(A) In general

The Corporation as receiver for a covered financial company shall, consistent with the accounting and reporting practices and procedures established by the Corporation, maintain a full accounting of each receivership or other disposition of any covered financial company.

The Corporation shall prescribe such regulations and establish such retention schedules as are necessary to maintain the documents and records of the Corporation generated in exercising the authorities of this subchapter and the records of a covered financial company for which the Corporation is appointed receiver, with due regard for—

(I) the avoidance of duplicative record retention; and

(II) the expected evidentiary needs of the Corporation as receiver for a covered financial company and the public regarding the records of covered financial companies.

(B) Any amounts owed to the United States, unless the United States agrees or consents otherwise.

(C) Wages, salaries, or commissions, including vacation, severance, and sick leave pay earned by an individual (other than an individual described in subparagraph (G)), but only to the extent of \$11,725 for each individual (as indexed for inflation, by regulation of the Corporation) earned not later than 180 days before the date of appointment of the Corporation as receiver.

(D) Contributions owed to employee benefit plans arising from services rendered not later than 180 days before the date of appointment of the Corporation as receiver, to the extent of the number of employees covered by each such plan, multiplied by \$11,725 (as indexed for inflation, by regulation of the Corporation), less the aggregate amount paid to such employees under subparagraph (C), plus the aggregate amount paid by the receivership on behalf of such employees to any other employee benefit plan.

(E) Any other general or senior liability of the covered financial company (which is not a liability described under subparagraph (F), (G), or (H)).

(F) Any obligation subordinated to general creditors (which is not an obligation described under subparagraph (G) or (H)).

(2) Post-receivership financing priority

In the event that the Corporation, as receiver for a covered financial company, is unable to obtain unsecured credit for the covered financial company from commercial sources, the Corporation as receiver may obtain credit or incur debt on the part of the covered financial company, which shall have priority over any or all administrative expenses of the receiver under paragraph (1)(A).

(3) Claims of the United States

Unsecured claims of the United States shall, at a minimum, have a higher priority than liabilities of the covered financial company that count as regulatory capital.

(4) Creditors similarly situated

All claimants of a covered financial company that are similarly situated under paragraph (1) shall be treated in a similar manner, except that the Corporation may take any action (including making payments, subject to subsection (o)(1)(D)(i)) that does not comply with this subsection, if—

(A) the Corporation determines that such action is necessary—

(i) to maximize the value of the assets of the covered financial company;

(B) all claimants that are similarly situated under paragraph (1) receive not less than the amount provided in paragraphs (2) and (3) of subsection (d).

(5) Secured claims unaffected

This section shall not affect secured claims or security entitlements in respect of assets or property held by the covered financial company, except to the extent that the security is insufficient to satisfy the claim, and then only with regard to the difference between the claim and the amount realized from the security.

(6) Priority of expenses and unsecured claims in the orderly liquidation of SIPC member

Where the Corporation is appointed as receiver for a covered broker or dealer, unsecured claims against such covered broker or dealer, or the Corporation as receiver for such covered broker or dealer under this section, that are proven to the satisfaction of the receiver under section 5385(e) of this title, shall have the priority prescribed in paragraph (1), except that—

(D) the Corporation may, after paying any proven claims to customers under section 5385 of this title and the Securities Investor

Protection Act of 1970 (15 U.S.C. 78aaa et seq.), and as provided above, pay dividends on other proven claims, in its discretion, and to the extent that funds are available, in accordance with the priorities set forth in paragraph (1).

(2) Timing of repudiation

The Corporation, as receiver for any covered financial company, shall determine whether or not to exercise the rights of repudiation under this section within a reasonable period of time.

(3) Claims for damages for repudiation**(A) In general**

(i) limited to actual direct compensatory damages; and

(ii) determined as of—

wise specifically provided in this subsection.

(D) Measure of damages for repudiation or disaffirmance of debt obligation

In the case of any debt for borrowed money or evidenced by a security, actual direct compensatory damages shall be no less than the amount lent plus accrued interest plus any accreted original issue discount as of the date the Corporation was appointed receiver of the covered financial company and, to the extent that an allowed secured claim is secured by property the value of which is greater than the amount of such claim and any accrued interest through the date of repudiation or disaffirmance, such accrued interest pursuant to paragraph (1).

(E) Measure of damages for repudiation or disaffirmance of contingent obligation

In the case of any contingent obligation of a covered financial company consisting of any obligation under a guarantee, letter of credit, loan commitment, or similar credit obligation, the Corporation may, by rule or regulation, prescribe that actual direct compensatory damages shall be no less than the estimated value of the claim as of the date the Corporation was appointed receiver of the covered financial company, as such value is measured based on the likelihood that such contingent claim would become fixed and the probable magnitude thereof.

(4) Leases under which the covered financial company is the lessee

(A) In general

If the Corporation as receiver disaffirms or repudiates a lease under which the covered financial company is the lessee, the receiver shall not be liable for any damages (other than damages determined pursuant to subparagraph (B)) for the disaffirmance or repudiation of such lease.

(B) Payments of rent

Notwithstanding subparagraph (A), the lessor under a lease to which subparagraph (A) would otherwise apply shall—

If, in the case of any contract for services described in subparagraph (A), the Corporation as receiver accepts performance by the other person before making any determination to exercise the right of repudiation of such contract under this section—

(8) Certain qualified financial contracts

(A) Rights of parties to contracts

Subject to subsection (a)(8) and paragraphs (9) and (10) of this subsection, and notwithstanding any other provision of this section, any other provision of Federal law, or the

(ii) Exception for certain transfers

Clause (i) shall not apply to any transfer of money or other property in connection with any qualified financial contract with a covered financial company if the transferee had actual intent to hinder, delay, or defraud such company, the creditors of such company, or the Corporation as receiver appointed for such company.

(G) Certain obligations to clearing organizations

In the event that the Corporation has been appointed as receiver for a covered financial company which is a party to any qualified financial contract cleared by or subject to the rules of a clearing organization (as defined in paragraph (9)(D)), the receiver shall use its best efforts to meet all margin, collateral, and settlement obligations of the covered financial company that arise under qualified financial contracts (other than any margin, collateral, or settlement obligation that is not enforceable against the receiver under paragraph (8)(F)(i) or paragraph (10)(B)), as required by the rules of the clearing organization when due. Notwithstanding any other provision of this subchapter, if the receiver fails to satisfy any such margin, collateral, or settlement obligations under the rules of the clearing organization, the clearing organization shall have the immediate right to exercise, and shall not be stayed from exercising, all of its rights and remedies under its rules and applicable law with respect to any qualified financial con-

In transferring any qualified financial contracts and related claims and property under subparagraph (A)(i), the Corporation as receiver for the covered financial company shall not make such transfer to a foreign bank, financial institution organized under the laws of a foreign country, or a branch or agency of a foreign bank or financial institution unless, under the law applicable to such bank, financial institution, branch or agency, to the qualified financial contracts, and to any netting contract, any security agreement or arrangement or other credit enhancement related to one or more qualified financial contracts, the contractual rights of the parties to such qualified financial contracts, netting contracts, security agreements or arrangements, or other credit enhancements are enforceable substantially to the same extent as permitted under this section.

(17) Effect on debts and liens

The reversal or modification on appeal of an authorization under this subsection to obtain credit or issue debt, or of a grant under this section of a priority or a lien, does not affect the validity of any debt so issued, or any priority or lien so granted, to an entity that extended such credit in good faith, whether or

(3) Emergency exception

(A) Waiver or modification by vote of the Council

The Council may waive or modify the requirements of paragraph (2) if the Council determines, by an affirmative vote of not fewer than $\frac{2}{3}$ of members then serving, including an affirmative vote by the Chairperson of the Council, that the waiver or modification is necessary to prevent or mitigate an immediate threat to the financial system posed by the financial market utility or the payment, clearing, or settlement activity.

(B) Notice of waiver or modification

The Council shall provide notice of the waiver or modification to the financial market utility concerned or, in the case of a payment, clearing, or settlement activity, to financial institutions, as soon as practicable, which shall be no later than 24 hours after the waiver or modification in the case of a financial market utility and 3 business days in the case of financial institutions. (a) Authority to prescribe standards

(1) Board of Governors

Except as provided in paragraph (2), the Board of Governors, by rule or order, and in consultation with the Council and the Supervisory Agencies, shall prescribe risk management standards, taking into consideration relevant international standards and existing prudential requirements, governing—

(A) the operations related to the payment, clearing, and settlement activities of designated financial market utilities; and

(B) the conduct of designated activities by financial institutions.

(2) Special procedures for designated clearing entities and designated activities of certain financial institutions

(A) CFTC and Commission

The Commodity Futures Trading Commission and the Commission may each prescribe regulations, in consultation with the Coun-

cil and the Board of Governors, containing risk management standards, taking into consideration relevant international standards and existing prudential requirements, for those designated clearing entities and financial institutions engaged in designated activities for which each is the Supervisory Agency or the appropriate financial regulator, governing—

- (i) the operations related to payment, clearing, and settlement activities of such designated clearing entities; and
- (ii) the conduct of designated activities by such financial institutions.

(B) Review and determination

The Board of Governors may determine that existing prudential requirements of the Commodity Futures Trading Commission, the Commission, or both (including requirements prescribed pursuant to subparagraph (A)) with respect to designated clearing entities and financial institutions engaged in designated activities for which the Commission or the Commodity Futures Trading Commission is the Supervisory Agency or the appropriate financial regulator are insufficient to prevent or mitigate significant liquidity, credit, operational, or other risks to the financial markets or to the financial stability of the United States.

(C) Written determination

Any determination by the Board of Governors under subparagraph (B) shall be provided in writing to the Commodity Futures Trading Commission or the Commission, as applicable, and the Council, and shall explain why existing prudential requirements, considered as a whole, are insufficient to ensure that the operations and activities of the designated clearing entities or the activities of financial institutions described in subparagraph (B) will not pose significant liquidity, credit, operational, or other risks to the financial markets or to the financial stability of the United States. The Board of Governors' determination shall contain a detailed analysis supporting its findings and identify the specific prudential requirements that are insufficient.

(D) CFTC and Commission response

The Commodity Futures Trading Commission or the Commission, as applicable, shall within 60 days either object to the Board of Governors' determination with a detailed analysis as to why existing prudential requirements are sufficient, or submit an explanation to the Council and the Board of Governors describing the actions to be taken in response to the Board of Governors' determination.

(E) Authorization

Upon an affirmative vote by not fewer than 2/3 of members then serving on the Council, the Council shall either find that the response submitted under subparagraph (D) is sufficient, or require the Commodity Futures Trading Commission, or the Commission, as applicable, to prescribe such risk

management standards as the Council determines is necessary to address the specific prudential requirements that are determined to be insufficient.”¹

(b) Objectives and principles

The objectives and principles for the risk management standards prescribed under subsection (a) shall be to—

- (1) promote robust risk management;
- (2) promote safety and soundness;
- (3) reduce systemic risks; and
- (4) support the stability of the broader financial system.

(c) Scope

The standards prescribed under subsection (a) may address areas such as—

- (1) risk management policies and procedures;
- (2) margin and collateral requirements;
- (3) participant or counterparty default policies and procedures;
- (4) the ability to complete timely clearing and settlement of financial transactions;
- (5) capital and financial resource requirements for designated financial market utilities; and
- (6) other areas that are necessary to achieve the objectives and principles in subsection (b).

(d) Limitation on scope

Except as provided in subsections (e) and (f) of section 5466 of this title, nothing in this subchapter shall be construed to permit the Council or the Board of Governors to take any action or exercise any authority granted to the Commodity Futures Trading Commission under section 2(h) of title 7 or the Securities and Exchange Commission under section 78c-3(a) of title 15, including—

- (1) the approval of, disapproval of, or stay of the clearing requirement for any group, category, type, or class of swaps that a designated clearing entity may accept for clearing;
- (2) the determination that any group, category, type, or class of swaps shall be subject to the mandatory clearing requirement of section 2(h)(1) of title 7 or section 78c-3(a)(1) of title 15;
- (3) the determination that any person is exempt from the mandatory clearing requirement of section 2(h)(1) of title 7 or section 78c-3(a)(1) of title 15; or
- (4) any authority granted to the Commodity Futures Trading Commission or the Securities and Exchange Commission with respect to transaction reporting or trade execution.

All such discounts and borrowing privileges shall be subject to such other limitations, restrictions, and regulations as the Board of Governors may prescribe. Access to discount and borrowing privileges under section 10B of the Federal Reserve Act as authorized in this section does not require a designated financial market utility to be or become a bank or bank holding company.

(c) Earnings on Federal Reserve balances

A Federal Reserve Bank may pay earnings on balances maintained by or on behalf of a designated financial market utility in the same manner and to the same extent as the Federal Reserve Bank may pay earnings to a depository institution under the Federal Reserve Act [12 U.S.C. 221 et seq.], subject to any applicable rules, orders, standards, or guidelines prescribed by the Board of Governors.

The Supervisory Agency shall notify the designated financial market utility of any objection regarding the proposed change within 60 days from the later of—

Any extension under this subparagraph will extend the time periods under subparagraphs (E) and (G).

(I) Change allowed earlier if notified of no objection

A designated financial market utility may implement a change in less than 60 days from the date of receipt of the notice of proposed change by the Supervisory Agency, or the date the Supervisory Agency receives any further information it requested, if the Supervisory Agency notifies the designated financial market utility in writing that it does not object to the proposed change and authorizes the designated financial market utility to implement the change on an earlier date, subject to any conditions imposed by the Supervisory Agency.

(2) Emergency changes**(A) In general**

A designated financial market utility may implement a change that would otherwise require advance notice under this subsection if it determines that—

§ 5517. Limitations on authorities of the Bureau; preservation of authorities

(a) Exclusion for merchants, retailers, and other sellers of nonfinancial goods or services

(1) Sale or brokerage of nonfinancial good or service

The Bureau may not exercise any rulemaking, supervisory, enforcement or other authority under this title¹ with respect to a person who is a merchant, retailer, or seller of any nonfinancial good or service and is engaged in the sale or brokerage of such nonfinancial good or service, except to the extent that such person is engaged in offering or providing any consumer financial product or service, or is otherwise subject to any enumerated consumer law or any law for which authorities are transferred under subtitle F or H.

(2) Offering or provision of certain consumer financial products or services in connection with the sale or brokerage of nonfinancial good or service

(A) In general

Except as provided in subparagraph (B), and subject to subparagraph (C), the Bureau may not exercise any rulemaking, supervisory, enforcement, or other authority under this title¹ with respect to a merchant, retailer, or seller of nonfinancial goods or services, but only to the extent that such person—

(i) extends credit directly to a consumer, in a case in which the good or service being provided is not itself a consumer financial product or service (other than credit described in this subparagraph), exclusively for the purpose of enabling that consumer to purchase such nonfinancial good or service directly from the merchant, retailer, or seller;

(ii) directly, or through an agreement with another person, collects debt arising from credit extended as described in clause (i); or

(iii) sells or conveys debt described in clause (i) that is delinquent or otherwise in default.

(B) Applicability

Subparagraph (A) does not apply to any credit transaction or collection of debt,

¹ See References in Text note below.

other than as described in subparagraph (C)(i), arising from a transaction described in subparagraph (A)—

(i) in which the merchant, retailer, or seller of nonfinancial goods or services assigns, sells or otherwise conveys to another person such debt owed by the consumer (except for a sale of debt that is delinquent or otherwise in default, as described in subparagraph (A)(iii));

(ii) in which the credit extended significantly exceeds the market value of the nonfinancial good or service provided, or the Bureau otherwise finds that the sale of the nonfinancial good or service is done as a subterfuge, so as to evade or circumvent the provisions of this title;¹ or

(iii) in which the merchant, retailer, or seller of nonfinancial goods or services regularly extends credit and the credit is subject to a finance charge.

(C) Limitations

(i) In general

Notwithstanding subparagraph (B), subparagraph (A) shall apply with respect to a merchant, retailer, or seller of nonfinancial goods or services that is not engaged significantly in offering or providing consumer financial products or services.

(ii) Exception

(I) if such merchant, retailer, or seller of nonfinancial goods or services is engaged in a transaction described in subparagraph (B)(i) or (B)(ii); or

(II) to the extent that such merchant, retailer, or seller is subject to any enumerated consumer law or any law for which authorities are transferred under subtitle F or H, but the Bureau may exercise such authority only with respect to that law.

(D) Rules

(i) Authority of other agencies

No provision of this title¹ shall be construed as modifying, limiting, or superseding the supervisory or enforcement authority of the Federal Trade Commission or any other agency (other than the Bureau) with respect to credit extended, or the collection of debt arising from such extension, directly by a merchant or retailer to a consumer exclusively for the purpose of enabling that consumer to purchase nonfinancial goods or services directly from the merchant or retailer.

(ii) Small businesses

A merchant, retailer, or seller of nonfinancial goods or services that would otherwise be subject to the authority of the Bureau solely by virtue of the application of subparagraph (B)(iii) shall be deemed not to be engaged significantly in offering or providing consumer financial products or services under subparagraph (C)(i), if such person—

(II) retains such credit on its own accounts (except to sell or convey such debt that is delinquent or otherwise in default); and

(III) meets the relevant industry size threshold to be a small business concern, based on annual receipts, pursuant to section 3 of the Small Business Act (15 U.S.C. 632) and the implementing rules thereunder.

(iii) Initial year

A merchant, retailer, or seller of nonfinancial goods or services shall be deemed to meet the relevant industry size threshold described in clause (ii)(III) during the first year of operations of that business concern if, during that year, the receipts of that business concern reasonably are expected to meet that size threshold.

(iv) Other standards for small business

With respect to a merchant, retailer, or seller of nonfinancial goods or services that is a classified on a basis other than annual receipts for the purposes of section 3 of the Small Business Act (15 U.S.C. 632) and the implementing rules thereunder, such merchant, retailer, or seller shall be deemed to meet the relevant industry size threshold described in clause (ii)(III) if such merchant, retailer, or seller meets the relevant industry size threshold to be a small business concern based on the number of employees, or other such applicable measure, established under that Act [15 U.S.C. 631 et seq.].

(E) Exception from State enforcement

(b) Rulemaking

Rules under this section may include requirements for the purpose of preventing such acts or practices.

(c) Unfairness**(1) In general**

The Bureau shall have no authority under this section to declare an act or practice in connection with a transaction with a consumer for a consumer financial product or service, or the offering of a consumer financial product or service, to be unlawful on the grounds that such act or practice is unfair, unless the Bureau has a reasonable basis to conclude that—

In determining whether an act or practice is unfair, the Bureau may consider established public policies as evidence to be considered with all other evidence. Such public policy considerations may not serve as a primary basis for such determination.

(d) Abusive

(2) The Bureau of Consumer Financial Protection shall enforce the rules issued under paragraph (1) in the same manner, by the same means, and with the same jurisdiction, powers, and duties, as though all applicable terms and provisions of the Consumer Financial Protection Act of 2010 were incorporated into and made part of this subsection.

(3) Subject to subtitle B of the Consumer Financial Protection Act of 2010 [12 U.S.C. 5511 et seq.], the Federal Trade Commission shall enforce the rules issued under paragraph (1), in the same manner, by the same means, and with the same jurisdiction, as though all applicable terms and provisions of the Federal Trade Commission Act [15 U.S.C. 41 et seq.] were incorporated into and made part of this section.

(A) to enjoin that practice;

(B) to enforce compliance with the rule;

(C) to obtain damages, restitution, or other compensation on behalf of the residents of the State; or

(3) Upon receiving the notice required by paragraph (2), and subject to subtitle B of the Consumer Financial Protection Act of 2010 [12 U.S.C. 5511 et seq.], the Bureau of Consumer Financial Protection or the Commission, as appropriate¹ may intervene in such civil action and upon intervening—

(A) be heard on all matters arising in such civil action;

§ 5563. Hearings and adjudication proceedings

(a) In general

The Bureau is authorized to conduct hearings and adjudication proceedings with respect to any person in the manner prescribed by chapter 5 of title 5 in order to ensure or enforce compliance with—

(1) the provisions of this title,¹ including any rules prescribed by the Bureau under this title;¹ and

(2) any other Federal law that the Bureau is authorized to enforce, including an enumerated consumer law, and any regulations or order prescribed thereunder, unless such Federal law specifically limits the Bureau from conducting a hearing or adjudication proceeding and only to the extent of such limitation.

(b) Special rules for cease-and-desist proceedings

(1) Orders authorized

(A) In general

If, in the opinion of the Bureau, any covered person or service provider is engaging

¹ See References in Text note below.

or has engaged in an activity that violates a law, rule, or any condition imposed in writing on the person by the Bureau, the Bureau may, subject to sections 5514, 5515, and 5516 of this title, issue and serve upon the covered person or service provider a notice of charges in respect thereof.

(B) Content of notice

The notice under subparagraph (A) shall contain a statement of the facts constituting the alleged violation or violations, and shall fix a time and place at which a hearing will be held to determine whether an order to cease and desist should issue against the covered person or service provider, such hearing to be held not earlier than 30 days nor later than 60 days after the date of service of such notice, unless an earlier or a later date is set by the Bureau, at the request of any party so served.

(C) Consent

Unless the party or parties served under subparagraph (B) appear at the hearing personally or by a duly authorized representative, such person shall be deemed to have consented to the issuance of the cease-and-desist order.

(D) Procedure

In the event of consent under subparagraph (C), or if, upon the record, made at any such hearing, the Bureau finds that any violation specified in the notice of charges has been established, the Bureau may issue and serve upon the covered person or service provider an order to cease and desist from the violation or practice. Such order may, by provisions which may be mandatory or otherwise, require the covered person or service provider to cease and desist from the subject activity, and to take affirmative action to correct the conditions resulting from any such violation.

(2) Effectiveness of order

A cease-and-desist order shall become effective at the expiration of 30 days after the date of service of an order under paragraph (1) upon the covered person or service provider concerned (except in the case of a cease-and-desist order issued upon consent, which shall become effective at the time specified therein), and shall remain effective and enforceable as provided therein, except to such extent as the order is stayed, modified, terminated, or set aside by action of the Bureau or a reviewing court.

(3) Decision and appeal

Any hearing provided for in this subsection shall be held in the Federal judicial district or in the territory in which the residence or principal office or place of business of the person is located unless the person consents to another place, and shall be conducted in accordance with the provisions of chapter 5 of title 5. After such hearing, and within 90 days after the Bureau has notified the parties that the case has been submitted to the Bureau for final decision, the Bureau shall render its decision (which shall include findings of fact upon

which its decision is predicated) and shall issue and serve upon each party to the proceeding an order or orders consistent with the provisions of this section. Judicial review of any such order shall be exclusively as provided in this subsection. Unless a petition for review is timely filed in a court of appeals of the United States, as provided in paragraph (4), and thereafter until the record in the proceeding has been filed as provided in paragraph (4), the Bureau may at any time, upon such notice and in such manner as the Bureau shall determine proper, modify, terminate, or set aside any such order. Upon filing of the record as provided, the Bureau may modify, terminate, or set aside any such order with permission of the court.

(4) Appeal to court of appeals

Any party to any proceeding under this subsection may obtain a review of any order served pursuant to this subsection (other than an order issued with the consent of the person concerned) by the filing in the court of appeals of the United States for the circuit in which the principal office of the covered person is located, or in the United States Court of Appeals for the District of Columbia Circuit, within 30 days after the date of service of such order, a written petition praying that the order of the Bureau be modified, terminated, or set aside. A copy of such petition shall be forthwith transmitted by the clerk of the court to the Bureau, and thereupon the Bureau shall file in the court the record in the proceeding, as provided in section 2112 of title 28. Upon the filing of such petition, such court shall have jurisdiction, which upon the filing of the record shall except as provided in the last sentence of paragraph (3) be exclusive, to affirm, modify, terminate, or set aside, in whole or in part, the order of the Bureau. Review of such proceedings shall be had as provided in chapter 7 of title 5. The judgment and decree of the court shall be final, except that the same shall be subject to review by the Supreme Court of the United States, upon certiorari, as provided in section 1254 of title 28.

(5) No stay

The commencement of proceedings for judicial review under paragraph (4) shall not, unless specifically ordered by the court, operate as a stay of any order issued by the Bureau.

(c) Special rules for temporary cease-and-desist proceedings

(1) In general

Whenever the Bureau determines that the violation specified in the notice of charges served upon a person, including a service provider, pursuant to subsection (b), or the continuation thereof, is likely to cause the person to be insolvent or otherwise prejudice the interests of consumers before the completion of the proceedings conducted pursuant to subsection (b), the Bureau may issue a temporary order requiring the person to cease and desist from any such violation or practice and to take affirmative action to prevent or remedy such insolvency or other condition pending completion of such proceedings. Such order

may include any requirement authorized under this part. Such order shall become effective upon service upon the person and, unless set aside, limited, or suspended by a court in proceedings authorized by paragraph (2), shall remain effective and enforceable pending the completion of the administrative proceedings pursuant to such notice and until such time as the Bureau shall dismiss the charges specified in such notice, or if a cease-and-desist order is issued against the person, until the effective date of such order.

(2) Appeal

Not later than 10 days after the covered person or service provider concerned has been served with a temporary cease-and-desist order, the person may apply to the United States district court for the judicial district in which the residence or principal office or place of business of the person is located, or the United States District Court for the District of Columbia, for an injunction setting aside, limiting, or suspending the enforcement, operation, or effectiveness of such order pending the completion of the administrative proceedings pursuant to the notice of charges served upon the person under subsection (b), and such court shall have jurisdiction to issue such injunction.

(3) Incomplete or inaccurate records

(A) Temporary order

If a notice of charges served under subsection (b) specifies, on the basis of particular facts and circumstances, that the books and records of a covered person or service provider are so incomplete or inaccurate that the Bureau is unable to determine the financial condition of that person or the details or purpose of any transaction or transactions that may have a material effect on the financial condition of that person, the Bureau may issue a temporary order requiring—

- (i) the cessation of any activity or practice which gave rise, whether in whole or in part, to the incomplete or inaccurate state of the books or records; or
- (ii) affirmative action to restore such books or records to a complete and accurate state, until the completion of the proceedings under subsection (b)(1).

(B) Effective period

Any temporary order issued under subparagraph (A)—

- (i) shall become effective upon service; and
- (ii) unless set aside, limited, or suspended by a court in proceedings under paragraph (2), shall remain in effect and enforceable until the earlier of—

(I) the completion of the proceeding initiated under subsection (b) in connection with the notice of charges; or

(II) the date the Bureau determines, by examination or otherwise, that the books and records of the covered person or service provider are accurate and reflect the financial condition thereof.

(d) Special rules for enforcement of orders

(1) In general

The Bureau may in its discretion apply to the United States district court within the jurisdiction of which the principal office or place of business of the person is located, for the enforcement of any effective and outstanding notice or order issued under this section, and such court shall have jurisdiction and power to order and require compliance herewith.

(2) Exception

Except as otherwise provided in this subsection, no court shall have jurisdiction to affect by injunction or otherwise the issuance or enforcement of any notice or order or to review, modify, suspend, terminate, or set aside any such notice or order.

(e) Rules

The Bureau shall prescribe rules establishing such procedures as may be necessary to carry out this section.

A person who believes that he or she has been discharged or otherwise discriminated against by any person in violation of subsection (a) may, not later than 180 days after the date on which such alleged violation occurs, file (or have any person file on his or her behalf) a complaint with the Secretary of Labor alleging such discharge or discrimination and identifying the person responsible for such act.

(B) Actions of Secretary of Labor

Upon receipt of such a complaint, the Secretary of Labor shall notify, in writing, the person named in the complaint who is alleged to have committed the violation, of—

- (i) the filing of the complaint;
- (ii) the allegations contained in the complaint;
- (iii) the substance of evidence supporting the complaint; and
- (iv) opportunities that will be afforded to such person under paragraph (2).

(2) Investigation by Secretary of Labor

(A) In general

Not later than 60 days after the date of receipt of a complaint filed under paragraph (1), and after affording the complainant and the person named in the complaint who is alleged to have committed the violation that is the basis for the complaint an opportunity to submit to the Secretary of Labor a written response to the complaint and an opportunity to meet with a representative of the Secretary of Labor to present statements from witnesses, the Secretary of Labor shall—

- (i) initiate an investigation and determine whether there is reasonable cause to believe that the complaint has merit; and
- (ii) notify the complainant and the person alleged to have committed the violation of subsection (a), in writing, of such determination.

(B) Notice of relief available

If the Secretary of Labor concludes that there is reasonable cause to believe that a

violation of subsection (a) has occurred, the Secretary of Labor shall, together with the notice under subparagraph (A)(ii), issue a preliminary order providing the relief prescribed by paragraph (4)(B).

(C) Request for hearing

Not later than 30 days after the date of receipt of notification of a determination of the Secretary of Labor under this paragraph, either the person alleged to have committed the violation or the complainant may file objections to the findings or preliminary order, or both, and request a hearing on the record. The filing of such objections shall not operate to stay any reinstatement remedy contained in the preliminary order. Any such hearing shall be conducted expeditiously, and if a hearing is not requested in such 30-day period, the preliminary order shall be deemed a final order that is not subject to judicial review.

(3) Grounds for determination of complaints

(A) In general

The Secretary of Labor shall dismiss a complaint filed under this subsection, and shall not conduct an investigation otherwise required under paragraph (2), unless the complainant makes a prima facie showing that any behavior described in paragraphs (1) through (4) of subsection (a) was a contributing factor in the unfavorable personnel action alleged in the complaint.

(B) Rebuttal evidence

Notwithstanding a finding by the Secretary of Labor that the complainant has made the showing required under subparagraph (A), no investigation otherwise required under paragraph (2) shall be conducted, if the employer demonstrates, by clear and convincing evidence, that the employer would have taken the same unfavorable personnel action in the absence of that behavior.

(C) Evidentiary standards

The Secretary of Labor may determine that a violation of subsection (a) has occurred only if the complainant demonstrates that any behavior described in paragraphs (1) through (4) of subsection (a) was a contributing factor in the unfavorable personnel action alleged in the complaint. Relief may not be ordered under subparagraph (A) if the employer demonstrates by clear and convincing evidence that the employer would have taken the same unfavorable personnel action in the absence of that behavior.

(4) Issuance of final orders; review procedures

(A) Timing

Not later than 120 days after the date of conclusion of any hearing under paragraph (2), the Secretary of Labor shall issue a final order providing the relief prescribed by this paragraph or denying the complaint. At any time before issuance of a final order, a proceeding under this subsection may be terminated on the basis of a settlement agreement entered into by the Secretary of Labor,

the complainant, and the person alleged to have committed the violation.

(B) Penalties

(i) Order of Secretary of Labor

If, in response to a complaint filed under paragraph (1), the Secretary of Labor determines that a violation of subsection (a) has occurred, the Secretary of Labor shall order the person who committed such violation—

(I) to take affirmative action to abate the violation;

(II) to reinstate the complainant to his or her former position, together with compensation (including back pay) and restore the terms, conditions, and privileges associated with his or her employment; and

(III) to provide compensatory damages to the complainant.

(ii) Penalty

If an order is issued under clause (i), the Secretary of Labor, at the request of the complainant, shall assess against the person against whom the order is issued, a sum equal to the aggregate amount of all costs and expenses (including attorney fees and expert witness fees) reasonably incurred, as determined by the Secretary of Labor, by the complainant for, or in connection with, the bringing of the complaint upon which the order was issued.

(C) Penalty for frivolous claims

If the Secretary of Labor finds that a complaint under paragraph (1) is frivolous or has been brought in bad faith, the Secretary of Labor may award to the prevailing employer a reasonable attorney fee, not exceeding \$1,000, to be paid by the complainant.

(D) De novo review

(i) Failure of the Secretary to act

If the Secretary of Labor has not issued a final order within 210 days after the date of filing of a complaint under this subsection, or within 90 days after the date of receipt of a written determination, the complainant may bring an action at law or equity for de novo review in the appropriate district court of the United States having jurisdiction, which shall have jurisdiction over such an action without regard to the amount in controversy, and which action shall, at the request of either party to such action, be tried by the court with a jury.

(ii) Procedures

A proceeding under clause (i) shall be governed by the same legal burdens of proof specified in paragraph (3). The court shall have jurisdiction to grant all relief necessary to make the employee whole, including injunctive relief and compensatory damages, including—

(I) reinstatement with the same seniority status that the employee would have had, but for the discharge or discrimination;

(II) the amount of back pay, with interest; and

(III) compensation for any special damages sustained as a result of the discharge or discrimination, including litigation costs, expert witness fees, and reasonable attorney fees.

(E) Other appeals

Unless the complainant brings an action under subparagraph (D), any person adversely affected or aggrieved by a final order issued under subparagraph (A) may file a petition for review of the order in the United States Court of Appeals for the circuit in which the violation with respect to which the order was issued, allegedly occurred or the circuit in which the complainant resided on the date of such violation, not later than 60 days after the date of the issuance of the final order of the Secretary of Labor under subparagraph (A). Review shall conform to chapter 7 of title 5. The commencement of proceedings under this subparagraph shall not, unless ordered by the court, operate as a stay of the order. An order of the Secretary of Labor with respect to which review could have been obtained under this subparagraph shall not be subject to judicial review in any criminal or other civil proceeding.

(5) Failure to comply with order

(A) Actions by the Secretary

If any person has failed to comply with a final order issued under paragraph (4), the Secretary of Labor may file a civil action in the United States district court for the district in which the violation was found to have occurred, or in the United States district court for the District of Columbia, to enforce such order. In actions brought under this paragraph, the district courts shall have jurisdiction to grant all appropriate relief including injunctive relief and compensatory damages.

(B) Civil actions to compel compliance

A person on whose behalf an order was issued under paragraph (4) may commence a civil action against the person to whom such order was issued to require compliance with such order. The appropriate United States district court shall have jurisdiction, without regard to the amount in controversy or the citizenship of the parties, to enforce such order.

(C) Award of costs authorized

The court, in issuing any final order under this paragraph, may award costs of litigation (including reasonable attorney and expert witness fees) to any party, whenever the court determines such award is appropriate.

(D) Mandamus proceedings

Any nondiscretionary duty imposed by this section shall be enforceable in a mandamus proceeding brought under section 1361 of title 28.

(d) Unenforceability of certain agreements

(1) No waiver of rights and remedies

Except as provided under paragraph (3), and notwithstanding any other provision of law,

the rights and remedies provided for in this section may not be waived by any agreement, policy, form, or condition of employment, including by any predispute arbitration agreement.

(2) No predispute arbitration agreements

Except as provided under paragraph (3), and notwithstanding any other provision of law, no predispute arbitration agreement shall be valid or enforceable to the extent that it requires arbitration of a dispute arising under this section.

(3) Exception

Notwithstanding paragraphs (1) and (2), an arbitration provision in a collective bargaining agreement shall be enforceable as to disputes arising under subsection (a)(4), unless the Bureau determines, by rule, that such provision is inconsistent with the purposes of this title.¹
