§ 635a-2. Implementation of regulations and procedures to lessen adverse effect of loans and guarantees on industries in United States; report by United States International Trade Commission; written consideration of views of adversely affected parties

The Bank shall implement such regulations and procedures as may be appropriate to insure that full consideration is given to the extent to which any loan or financial guarantee is likely to have an adverse effect on industries, including agriculture, and employment in the United States, either by reducing demand for goods produced in the United States or by increasing imports to the United States. To carry out the purposes of this subsection,¹ the Bank shall request, and the United States International Trade Commission shall furnish, a report assessing the impact of the Bank's activities on industries and employment in the United States. Such report shall include an assessment of previous loans or financial guarantees and shall provide recommendations concerning general areas which may adversely affect domestic industries, including agriculture, and employment. After October 1, 1983, there are authorized to be appropriated such sums as may be necessary to carry out the provisions of this section. In all cases to which this section applies, the Bank shall consider and address in writing the views of parties or persons who may be substantially adversely affected by the loan or guarantee prior to taking final action on the loan or guarantee. This requirement does not subject the Bank to the provisions of subchapter II of chapter 5 of title 5.

§ 635a-3. Export-Import Bank financing to match foreign financing

(a) Noncompetitive financing; inquiry by Secretary; notification of foreign country and prospective parties to transaction

(1) Upon receipt of information that foreign sales to the United States are being offered involving foreign official export credits which exceed limits under existing standstills, minutes, or practices to which the United States and other major exporting countries have agreed, irrespective of whether these credits are being offered by governments which are signatories to such standstills, minutes, or practices, the Secretary of the Treasury shall immediately conduct an inquiry to determine whether “noncompetitive financing” is being offered. The inquiry, and where appropriate, the determination and authorization to the Export-Import Bank of the United States referred to in this section shall be completed and made within 60 days of the receipt of such information.

(2) If the Secretary determines that such foreign “noncompetitive” financing is being offered, the Secretary shall request the immediate withdrawal of such financing by the foreign official export credit agency involved.

(3) If the offer is not withdrawn or if there is no immediate response to the withdrawal request, the Secretary of the Treasury shall notify the country offering such financing and all parties to the proposed transaction that the Eximbank may be authorized to provide competing United States sellers with financing to match that available through the foreign official export financing entity.

(2) the foreign noncompetitive financing has been withdrawn.

(c) Provision of financing by Bank pursuant to authorization

Upon receipt of authorization by the Secretary of the Treasury, the Export-Import Bank may provide financing to match that offered by the foreign official export credit entity: *Provided, however*, That loans, guarantees and insurance provided under this authority shall conform to all provisions of the Export-Import Bank Act of 1945, as amended [12 U.S.C. 635 et seq.].

CODIFICATION

Section was enacted as part of the Export-Import Bank Act Amendments of 1978, and not as part of the Export-Import Bank Act of 1945 which comprises this subchapter.

AMENDMENTS

1986—Subsec. (a)(1). Pub. L. 99-472, §15(b), which directed the insertion of “irrespective of whether these credits are being offered by governments which are signatories to such standstills, minutes, or practices,” after “major export countries have agreed,” was executed by inserting that phrase after “major exporting countries have agreed,” as the probable intent of Congress.

Subsec. (b). Pub. L. 99-472, §15(a), amended subsec. (b) generally. Prior to amendment, subsec. (b) read as follows: “The Secretary of the Treasury shall only issue such authorization to the Bank to provide guarantees, insurance and credits to competing United States sellers, if the Secretary determines that:

“(1) the availability of foreign official noncompetitive financing is likely to be a significant factor in the sale, and

“(2) the foreign noncompetitive financing has not been withdrawn on the date the Bank is authorized to provide competitive financing.”

1983—Subsec. (a)(1). Pub. L. 98-181, §631(1), inserted provision that the inquiry, and where appropriate, the determination and authorization to the Export-Import Bank of the United States referred to in this section shall be completed and made within 60 days of the receipt of such information.

Subsec. (a)(2). Pub. L. 98-181, §633(b), substituted “the Secretary shall request” for “he shall request”.
