§ 1738. Insurance of mortgages

(a) Relief of housing shortage; eligibility; limitations on time and amount

In order to assist in relieving the acute shortage of housing which now exists and to increase

the supply of housing accommodations available to veterans of World War II at prices within their reasonable ability to pay, the Secretary is authorized, upon application by the mortgagee, to insure as hereinafter provided any mortgage which is eligible for insurance as hereinafter provided, and, upon such terms as the Secretary may prescribe, to make commitments for the insuring of such mortgages prior to the date of their execution or disbursement thereon: *Provided*, That the aggregate amount of principal obligations of all mortgages insured under this subchapter shall not exceed \$6,150,000,000 except that with the approval of the President such aggregate amount may be increased to not to exceed \$6,650,000,000: *Provided further*, That no mortgage shall be insured under this section after April 30, 1948, except (A) pursuant to a commitment to insure issued on or before April 30, 1948, or (B) a mortgage given to refinance an existing mortgage insured under this section and which does not exceed the original principal amount and unexpired term of such existing mortgage, and no mortgage shall be insured under section 1743 of this title after March 1, 1950, except (i) pursuant to a commitment to insure issued on or before March 1, 1950, or (ii) a mortgage given to refinance an existing mortgage insured under section 1743 of this title and which does not exceed the original principal amount and unexpired term of such existing mortgage: *Provided further*, That no mortgage shall be insured under section 1743 of this title unless the mortgagor certifies under oath that in selecting tenants for the property covered by the mortgage he will not discriminate against any family by reason of the fact that there are children in the family, and that he will not sell the property while the insurance is in effect unless the purchaser so certifies, such certifications to be filed with the Secretary; and violation of any such certification shall be a misdemeanor punishable by a fine of not to exceed \$500: *And provided further*, That the Secretary shall, in his discretion, have power to require the availability for rental purposes of properties covered by mortgages insured under this subchapter, in such instances and for such periods of time as he may prescribe.

Notwithstanding the first proviso of this subsection, mortgages may be insured under sections 1744 and 1746 of this title if the aggregate amounts of principal obligations of mortgages insured under said sections plus the aggregate amount of principal obligations of mortgages insured under section 1745 of this title do not exceed the limitation contained in said section 1745 upon the aggregate amount of principal obligations of mortgages insured pursuant to said section.

Notwithstanding the second proviso of this subsection, mortgages otherwise eligible for insurance under section 1743 of this title may be hereafter insured thereunder if the application for such insurance was received by the Department of Housing and Urban Development on or before March 1, 1950, and for such purpose the aggregate amount of principal obligations authorized to be insured under section 1743 of this title is increased by not to exceed \$500,000,000.

(b) Eligibility requirements

To be eligible for insurance under this section a mortgage shall—

(1) have been made to, and be held by, a mortgagee approved by the Secretary as responsible and able to service the mortgage properly;

(2) involve a principal obligation (including such initial service charges, appraisal, inspection, and other fees as the Secretary shall approve) in an amount not to exceed 90 per centum of the Secretary's estimate of the value (as of the date the mortgage is accepted for insurance), except that as to applications received by the Secretary on or before March 31, 1948, the mortgage may involve a principal obligation in an amount not to exceed 90 per centum of the Secretary's estimate of the necessary current cost (including the land and such initial service charges and such appraisal, inspection, and other fees as the Secretary shall approve); of a property, urban, suburban, or rural, upon which there is located a dwelling designed principally for residential use for not more than four families in the aggregate, which is approved for mortgage insurance prior to the beginning of construction. The principal obligation of such mortgage shall in no event, however, exceed—

(A) \$5,400 if such dwelling is designed for a single-family residence, or

(B) \$7,500 if such dwelling is designed for a two-family residence, or

(C) \$9,500 if such dwelling is designed for a three-family residence, or

(D) \$12,000 if such dwelling is designed for a four-family residence:

Provided, That the Secretary may, if he finds that at any time or in any particular geographical area it is not feasible, within such limitations of maximum mortgage amounts, to construct dwellings without sacrifice of sound standards of construction, design, or livability, prescribe by regulation or otherwise higher maximum mortgage amounts not to exceed—

(A) \$8,100 if such dwelling is designed for a single-family residence, or

(B) \$12,500 if such dwelling is designed for a two-family residence, or

(C) \$15,750 if such dwelling is designed for a three-family residence, or

(D) \$18,000 if such dwelling is designed for a four-family residence.

(3) have a maturity satisfactory to the Secretary but not to exceed twenty-five years from the date of the insurance of the mortgage;

(4) contain complete amortization provisions satisfactory to the Secretary;

(5) bear interest (exclusive of premium charges for insurance) at not to exceed 4 per centum per annum on the amount of the principal obligation outstanding at any time;

(6) provide, in a manner satisfactory to the Secretary, for the application of the mortgagor's periodic payments (exclusive of the amount allocated to interest and to the premium charge which is required for mortgage insurance as herein provided) to amortization of the principal of the mortgage; and

(7) contain such terms and provisions with respect to insurance, repairs, alterations, payment of taxes, default reserves, delinquency charges, foreclosure proceedings, anticipation of maturity, additional and secondary liens, and other matters as the Secretary may in his discretion prescribe.

(c) Premium charges; payments; acceptance for insurance; preferences; adjustments and refunds

The Secretary is authorized to fix a premium charge for the insurance of mortgages under this subchapter but in the case of any mortgage such charge shall not be less than an amount equivalent to one-half of 1 per centum per annum nor more than an amount equivalent to 1½ per centum per annum of the amount of the principal obligation of the mortgage outstanding at any time, without taking into account delinquent payments or prepayments. Such premium charges shall be payable by the mortgagee, either in cash, or in debentures issued by the Secretary under this subchapter at par plus accrued interest, in such manner as may be prescribed by the Secretary: *Provided*, That the Secretary may require the payment of one or more such premium charges at the time the mortgage is insured, at such discount rate as he may prescribe not in excess of the interest rate specified in the mortgage. If the Secretary finds, upon the presentation of a mortgage for insurance and the tender of the initial premium charge and such other charges as the Secretary may require, that the mortgage complies with the provisions of this subchapter, such mortgage may be accepted for insurance by endorsement or otherwise as the Secretary may prescribe; but no mortgage shall be accepted for insurance under this subchapter unless the Secretary finds that the project with respect to which the mortgage is executed is an acceptable risk in view of the shortage of housing referred to in this section. In the event that the principal obligation of any mortgage accepted for insurance under this subchapter is paid in full prior to the maturity date, the Secretary is further authorized in his discretion to require the payment by the mortgagee of an adjusted premium charge in such amount as the Secretary determines to be equitable, but not in excess of the aggregate amount of the premium charges that the mortgagee would otherwise have been required to pay if the mortgage had continued to be insured under this subchapter until such maturity date; and in the event that the principal obligation is paid in full as herein set forth, the Secretary is authorized to refund to the mortgagee for the account of the mortgagor all, or such portion as he shall determine to be equitable, of the current unearned premium charges theretofore paid. The Secretary shall prescribe such procedures as in his judgment are necessary to secure to veterans of World War II, and their immediate families, and to hardship cases as defined by the Secretary, preference or priority of opportunity to purchase or rent properties covered by mortgages insured under this subchapter.

(d) Conclusiveness of insurance contract as to eligibility

Any contract of insurance heretofore or hereafter executed by the Secretary under this sub-

chapter shall be conclusive evidence of the eligibility of the mortgage for insurance, and the validity of any contract of insurance so executed shall be incontestable in the hands of an approved mortgagee from the date of the execution of such contract, except for fraud or misrepresentation on the part of such approved mortgagee.

In any case in which the mortgagee under a mortgage insured under section 1738 of this title shall have foreclosed and taken possession of the mortgaged property, in accordance with regulations of, and within a period to be determined by, the Secretary, or shall, with the consent of the Secretary, have otherwise acquired such property from the mortgagor after default, the mortgagee shall be entitled to receive the ben-

efit of the insurance as hereinafter provided, upon (1) the prompt conveyance to the Secretary of title to the property which meets the requirements of rules and regulations of the Secretary in force at the time the mortgage was insured, and which is evidenced in the manner prescribed by such rules and regulations; and (2) the assignment to him of all claims of the mortgagee against the mortgagor or others, arising out of the mortgage transaction or foreclosure proceedings, except such claims as may have been released with the consent of the Secretary. Upon such conveyance and assignment the obligation of the mortgagee to pay the premium charges for insurance shall cease and the Secretary shall, subject to the cash adjustment hereinafter provided, issue to the mortgagee debentures having a total face value equal to the value of the mortgage and a certificate of claim, as hereinafter provided. For the purposes of this subsection, the value of the mortgage shall be determined, in accordance with rules and regulations prescribed by the Secretary, by adding to the amount of the original principal obligation of the mortgage which was unpaid on the date of the institution of foreclosure proceedings, or on the date of the acquisition of the property after default other than by foreclosure, the amount of all payments which have been made by the mortgagee for taxes, ground rents, and water rates, which are liens prior to the mortgage, special assessments which are noted on the application for insurance or which become liens after the insurance of the mortgage, insurance of the mortgaged property, and any mortgage insurance premiums and by deducting from such total amount any amount received on account of the mortgage after either of such dates, and any amount received as rent or other income from the property, less reasonable expenses incurred in handling the property, after either of such dates: *Provided*, That with respect to mortgages which are foreclosed before there shall have been paid on account of the principal obligation of the mortgage a sum equal to 10 per centum of the appraised value of the property as of the date the mortgage was accepted for insurance, there may be included in the debentures issued by the Secretary, on account of the cost of foreclosure (or of acquiring the property by other means) actually paid by the mortgagee and approved by the Secretary an amount—

(1) not in excess of 2 per centum of the unpaid principal of the mortgage as of the date of the institution of foreclosure proceedings and not in excess of \$75; or

(2) not in excess of two-thirds of such cost, whichever is the greater: *Provided further*, That with respect to any debentures issued on or after September 2, 1964, the Secretary may, with the consent of the mortgagee (in lieu of issuing a certificate of claim as provided in subsection (e)), include in debentures, in addition to amounts otherwise allowed for such costs, an amount not to exceed one-third of the total foreclosure, acquisition, and conveyance costs actually paid by the mortgagee and approved by the Secretary, but in no event may the total allowance for such costs exceed the amount actually paid by the mortgagee: *And provided further*, That with respect to

mortgages to which the provisions of sections 302 and 306 of the Soldiers' and Sailors' Civil Relief Act of 1940,¹ as now or hereafter amended, apply and which are insured under section 1738 of this title and subject to such regulations and conditions as the Secretary may prescribe, there shall be included in the debentures an amount which the Secretary finds to be sufficient to compensate the mortgagee for any loss which it may have sustained on account of interest on debentures and the payment of insurance premiums by reason of its having postponed the institution of foreclosure proceedings or the acquisition of the property by other means during any part or all of the period of such military service and three months thereafter.

(b) Consent to release of mortgagee or property

The Secretary may at any time, under such terms and conditions as he may prescribe, consent to the release of the mortgagor from his liability under the mortgage or the credit instrument secured thereby, or consent to the release of parts of the mortgaged property from the lien of the mortgage: *Provided*, That the mortgagor shall not be released from such liability in any case until the Secretary is satisfied that the mortgaged property has been sold to a purchaser satisfactory to the Secretary, and that such purchaser has paid on account of the purchase price, in cash or its equivalent, at least 10 per centum of the Secretary's estimate of the value as of the date the mortgage is accepted for insurance.

(c) Debentures; form and denomination

Debentures issued under this subchapter shall be in such form and denominations in multiples of \$50, shall be subject to such terms and conditions, and shall include such provisions for redemption, if any, as may be prescribed by the Secretary with the approval of the Secretary of the Treasury, and may be in coupon or registered form. Any difference between the value of the mortgage determined as herein provided and the aggregate face value of the debentures issued, not to exceed \$350, shall be adjusted by the payment of cash by the Secretary to the mortgagee from the General Insurance Fund.

(d) Debentures; execution; negotiability; terms; tax exemptions

The debenture issued under this section to any mortgagee shall be executed in the name of the General Insurance Fund as obligor, shall be signed by the Secretary by either his written or engraved signature, and shall be negotiable. All such debentures shall be dated as of the date foreclosure proceedings were instituted, or the property was otherwise acquired by the mortgagee after default, except that debentures issued pursuant to claims for insurance filed on or after September 2, 1964, shall be dated as of the date of default or as of such later date as the Secretary, in his discretion, may establish by regulation. The debentures shall bear interest from such date at a rate determined by the Secretary, with the approval of the Secretary of the Treasury, at the time the mortgage was accept-

ed for insurance, but not to exceed 3 per centum per annum, payable semiannually on the 1st day of January and the 1st day of July of each year. Such debentures as are issued in exchange for property covered by mortgages accepted for insurance under this section on or after May 26, 1942, shall mature ten years after the date thereof. Such debentures as are issued in exchange for property covered by mortgages accepted for insurance under this section prior to May 26, 1942, shall mature three years after the 1st day of July following the maturity date of the mortgage on the property in exchange for which the debentures were issued: *Provided*, That any mortgagee entitled to receive such debentures may elect to receive in lieu thereof debentures which shall mature ten years after the date thereof. Such debentures shall be exempt, both as to principal and interest, from all taxation (except surtaxes, estate, inheritance, and gift taxes) now or hereafter imposed by any Territory, dependency, or possession of the United States, or by the District of Columbia, or by any State, county, municipality, or local taxing authority, and shall be paid out of the General Insurance Fund, which shall be primarily liable therefor, and they shall be fully and unconditionally guaranteed as to principal and interest by the United States, and such guaranty shall be expressed on the face of the debentures. In the event that the General Insurance Fund fails to pay upon demand, when due, the principal of or interest on any debentures issued under this subchapter, the Secretary of the Treasury shall pay to the holders the amount thereof which is authorized to be appropriated, out of any money in the Treasury not otherwise appropriated, and thereupon to the extent of the amount so paid the Secretary of the Treasury shall succeed to all the rights of the holders of such debentures.

(e) Certificate of claim

The certificate of claim issued by the Secretary to any mortgagee shall be for an amount which the Secretary determines to be sufficient, when added to the face value of the debentures issued and the cash adjustment paid to the mortgagee, to equal the amount which the mortgagee would have received if, at the time of the conveyance to the Secretary of the property covered by the mortgage, the mortgagor had redeemed the property and paid in full all obligations under the mortgage and a reasonable amount for necessary expenses incurred by the mortgagee in connection with the foreclosure proceedings, or the acquisition of the mortgaged property otherwise, and the conveyance thereof to the Secretary. Each such certificate of claim shall provide that there shall accrue to the holder of such certificate with respect to the face amount of such certificate, an increment at the rate of 3 per centum per annum which shall not be compounded. The amount to which the holder of any such certificate shall be entitled shall be determined as provided in subsection (f).

(f) Division of excess proceeds

(1) If, after deducting (in such manner and amount as the Secretary shall determine to be equitable and in accordance with sound accounting practice) the expenses incurred by the Secretary, the net amount realized from any prop-

erty conveyed to the Secretary under this section and the claims assigned therewith exceed the face value of the debentures issued and the cash paid in exchange for such property plus all interest paid on such debentures, such excess shall be divided as follows:

(i) If such excess is greater than the total amount payable under the certificate of claim issued in connection with such property, the Secretary shall pay to the holder of such certificate the full amount so payable, and any excess remaining thereafter shall be paid to the mortgagor of such property: *Provided*, That on and after September 2, 1964, any excess remaining after payment to the holder of the full amount of the certificate of claim shall be retained by the Secretary and credited to the General Insurance Fund; and

(ii) If such excess is equal to or less than the total amount payable under such certificate of claim, the Secretary shall pay to the holder of such certificate the full amount of such excess.

(2) Notwithstanding any other provisions of this section, the Secretary is authorized, with the consent of the mortgagee or mortgagor, as the case may be, to effect the settlement of certificates of claim and refunds at any time after the sale or transfer of title to the property conveyed to the Secretary under this section and without awaiting the final liquidation of such property for the purpose of determining the net amount to be realized therefrom: *Provided*, That the settlement authority created by the Housing Amendments of 1955 shall be terminated with respect to any certificate of claim outstanding as of September 2, 1964.

(3) With the consent of the holder thereof, the Secretary is authorized to settle, without awaiting the final liquidation of the Secretary's interest in the property, any certificate of claim issued pursuant to subsection (e), with respect to which a settlement had not been effected prior to September 2, 1964, by making payment in cash to the holder thereof of such amount, not exceeding the face amount of the certificate of claim, together with the accrued interest increment thereon, as the Secretary may consider appropriate: *Provided*, That in any case where the certificate of claim is settled in accordance with the provisions of this paragraph, any amounts realized after September 2, 1964, in the liquidation of the Secretary's interest in the property, shall be retained by the Secretary and credited to the applicable insurance fund.

(g) Handling and disposal of property; settlement of claims

Notwithstanding any other provision of law relating to the acquisition, handling, or disposal of real property by the United States, the Secretary shall have power to deal with, complete, rent, renovate, modernize, insure, make contracts or establish suitable agencies for the management of, or sell for cash or credit, in his discretion, any properties conveyed to him in exchange for debentures and certificates of claim as provided in this subchapter; and notwithstanding any other provision of law, the Secretary shall also have power to pursue to final collection, by way of compromise or other-

wise, all claims against mortgagors assigned by mortgagees to the Secretary as provided in this subchapter, except that no suit or action shall be commenced by the Secretary against any such mortgagor on account of any claim so assigned with respect to mortgages insured under section 1738 of this title unless such suit or action is commenced within six months after the assignment of such claim to the Secretary, or within six months after the last payment was made to the Secretary with respect to the claim so assigned, whichever is later: *Provided*, That section 6101 of title 41 shall not be construed to apply to any contract for hazard insurance, or to any purchase or contract for services or supplies on account of such property if the amount thereof does not exceed \$1,000. The power to convey and to execute in the name of the Secretary deeds of conveyances, deeds of release, assignments, and satisfactions of mortgages, and any other written instrument relating to real property or any interest therein heretofore or hereafter acquired by the Secretary pursuant to the provisions of this chapter, may be exercised by an officer appointed by him, without the execution of any express delegation of power or power of attorney: *Provided*, That nothing in this subsection shall be construed to prevent the Secretary from delegating such power by order or by power of attorney in his discretion, to any officer, agent, or employee he may appoint.

(h) Mortgagor's or mortgagee's interest in property or claim conveyed

No mortgagee or mortgagor shall have and no certificate of claim shall be construed to give to any mortgagee or mortgagor, any right or interest in any property conveyed to the Secretary or in any claim assigned to him; nor shall the Secretary owe any duty to any mortgagee or mortgagor with respect to the handling or disposal of any such property or the collection of any such claim.

§ 1743. Insurance of mortgages

(a) Additional authorization; advances during construction

In addition to mortgages insured under section 1738 of this title, the Secretary is author-

ized to insure mortgages as defined in section 1736 of this title (including advances on such mortgages during construction) which are eligible for insurance as hereinafter provided.

(b) Eligibility requirements

To be eligible for insurance under this section a mortgage shall meet the following conditions:

(1) The mortgaged property shall be held by a mortgagor approved by the Secretary. The Secretary may, in his discretion, require such mortgagor to be regulated or restricted as to rents or sales, charges, capital structure, rate of return, and methods of operation. The Secretary may make such contracts with, and acquire for not to exceed \$100 stock or interest in any such mortgagor, as the Secretary may deem necessary to render effective such restriction or regulation. Such stock or interest shall be paid for out of the General Insurance Fund, and shall be redeemed by the mortgagor at par upon the termination of all obligations of the Secretary under the insurance.

(2) Preference or priority of opportunity in the occupancy of the mortgaged property for veterans of World War II and their immediate families, and for hardship cases as defined by the Secretary, shall be provided under such regulations and procedures as may be prescribed by the Secretary.

(3) The mortgage shall involve a principal obligation in an amount—

(A) not to exceed \$5,000,000; and

(B) not to exceed 90 per centum of the amount which the Secretary estimates will be the necessary current cost of the completed property or project, including the land; the proposed physical improvements; utilities within the boundaries of the property or project; architects’ fees; taxes and interest accruing during construction; and other miscellaneous charges incidental to construction and approved by the Secretary: *Provided*, That such mortgage shall not in any event exceed the amount which the Secretary estimates will be the cost of the completed physical improvements on the property or project, exclusive of off-site public utilities and streets, and organization and legal expenses: *And provided further*, That the principal obligation of the mortgage shall not, in any event, exceed 90 per centum of the Secretary’s estimate of the replacement cost of the property or project on the basis of the costs prevailing on December 31, 1947, for properties or projects of comparable quality in the locality where such property or project is to be located; and

(C) not to exceed \$8,100 per family unit for such part of such property or project as may be attributable to dwelling use.

The mortgage shall provide for complete amortization by periodic payment within such term as the Secretary shall prescribe, and shall bear interest (exclusive of premium charges for insurance) at not to exceed 4½ per centum per annum on the amount of the principal obligation outstanding at any time. The Secretary may consent to the release of a part or parts of the mortgaged property from the lien of the mortgage upon such terms and conditions as he may pre-

scribe and the mortgage may provide for such release.

(c) Payments; default; insurance benefits for mortgagee; value of mortgage; foreclosure of mortgage

The failure of the mortgagor to make any payment due under or provided to be paid by the terms of a mortgage insured under this section shall be considered a default under such mortgage, and if such default continues for a period of thirty days, the mortgagee shall be entitled to receive the benefits of the insurance as hereinafter provided, upon assignment, transfer, and delivery to the Secretary, within a period and in accordance with rules and regulations to be prescribed by the Secretary of (1) all rights and interests arising under the mortgage so in default; (2) all claims of the mortgagee against the mortgagors or others, arising out of the mortgage transaction; (3) all policies of title or other insurance or surety bonds or other guaranties and any and all claims thereunder; (4) any balance of the mortgage loan not advanced to the mortgagor; (5) any cash or property held by the mortgagee, or to which it is entitled, as deposits made for the account of the mortgagor and which have not been applied in reduction of the principal of the mortgage indebtedness; and (6) all records, documents, books, papers, and accounts relating to the mortgage transaction. Upon such assignment, transfer, and delivery the obligation of the mortgagee to pay the premium charges for mortgage insurance shall cease, and the Secretary shall, subject to the cash adjustment provided for in section 1739(c) of this title, issue to the mortgagee debentures having a total face value equal to the value of the mortgage, and a certificate of claim as hereinafter provided. For the purposes of this subsection, the value of the mortgage shall be determined in accordance with rules and regulations prescribed by the Secretary, by adding to the amount of the original principal obligation of the mortgage which was unpaid on the date of default, the amount the mortgagee may have paid for (A) taxes, special assessments, and water rates, which are liens prior to the mortgage; (B) insurance on the property; and (C) reasonable expenses for the completion and preservation of the property and any mortgage insurance premiums paid after default; less the sum of (i) an amount equivalent to 1 per centum of the unpaid amount of such principal obligation on the date of default; (ii) any amount received on account of the mortgage after such date; and (iii) any net income received by the mortgagee from the property after such date: *Provided*, That the mortgagee in the event of a default under the mortgage may, at its option and in accordance with regulations of, and in a period to be determined by the Secretary, proceed to foreclose on and obtain possession of or otherwise acquire such property from the mortgagor after default, and receive the benefits of the insurance as herein provided, upon (1) the prompt conveyance to the Secretary of title to the property which meets the requirements of the rules and regulations of the Secretary in force at the time the mortgage was insured, and which is evidenced in the manner prescribed by such rules

and regulations; and (2) the assignment to him of all claims of the mortgagee against the mortgagor or others, arising out of the mortgage transaction or foreclosure proceedings, except such claims that may have been released with the consent of the Secretary. Upon such conveyance and assignment, the obligation of the mortgagee to pay the premium charges for insurance shall cease and the mortgagee shall be entitled to receive the benefits of the insurance as provided in this subsection, except that in such event the 1 per centum deduction, set out in (i) hereof, shall not apply.

(d) Certificates of claim; amount

The certificate of claim issued by the Secretary to any mortgagee in connection with the insurance of mortgages under this section shall be for an amount determined in accordance with subsections (e) and (f) of section 1739 of this title, except that any amount remaining after the payment of the full amount under the certificate of claim shall be retained by the Secretary and credited to the General Insurance Fund.

(e) Debentures; date of issuance; interest

Debentures issued under this section shall be issued in accordance with the provisions of section 1739 (d) of this title except that such debentures shall be dated as of the date of default as determined in subsection (c) of this section, and shall bear interest from such date.

(f) Applicability of other provisions

The provisions of section 1713(k) of this title shall be applicable to mortgages insured under this section, except that, as applied to such mortgages, the reference therein to subsection (g) shall be construed to refer to subsection (c) of this section.

(g) Mortgages in connection with sale of property under subchapter I, II, VIII, or X

The Secretary shall also have power to insure under this subchapter or subchapter I, II, VIII, or X any mortgage executed in connection with the sale by him of any property acquired under any of such subchapters without regard to limitations upon eligibility, time, or aggregate amount contained therein.

(a) Relief of housing shortage; advances

In order to assist in relieving the acute shortage of housing which now exists and to promote the production of housing for veterans of World War II at moderate prices or rentals within their reasonable ability to pay, through the application of modern industrial processes, the Secretary is authorized to insure loans to finance the manufacture of housing (including advances on such loans) when such loans are eligible for insurance as hereinafter provided.

(b) Eligibility requirements

Loans for the manufacture of houses shall be eligible for insurance under this section if at the time of such insurance, the Secretary determines they meet the following conditions:

be payable on a date in excess of thirty days after the date of delivery of such houses, unless not less than 20 per centum of such purchase price is paid on or before the date of delivery and the lender has accepted and discounted or has agreed to accept and discount, pursuant to subsection (i) of this section a promissory note or notes, executed by the purchaser, representing the unpaid portion of such purchase price, in which event such unpaid portion of the purchase price may be payable on a date not in excess of one hundred and eighty days from the date of delivery of such houses;

The loan shall be secured by an assignment of the aforesaid purchase contracts and of all sums payable thereunder on or after the date of such assignment, with the right in the assignee to proceed against such security in case of default as provided in the assignment, which assignment shall be in such form and contain such terms and conditions, as may be prescribed by the Secretary; and the Secretary may require such other agreements and undertakings to further secure the loan as he may determine, including the right, in case of default or at any time necessary to protect the lender, to compel delivery to the lender of any houses then owned and in the possession of the borrower. The loan shall have a maturity not in excess of one year from the date of the note, except that any such loan may be refinanced and extended in accordance with such terms and conditions as the Secretary may prescribe for an additional term not to exceed one year, and shall bear interest (exclusive of premium charges for insurance) at not to exceed 4 per centum per annum on the amount of the principal obligation outstanding at any time.

(2) The Secretary is authorized to include in any contract of insurance executed by him with respect to the insurance of a loan to finance the manufacture of houses, provisions to effectuate the insurance against any such losses under this subsection.

(3) The failure of the purchaser to make any payment due under or provided to be paid by the terms of any note or notes executed by the purchaser and accepted and discounted by the lender under the provisions of this subsection, shall be considered as a default under this subsection, and if such default continues for a period of thirty days, the lender shall be entitled to receive the benefits of the insurance, as provided in subsection (d) of this section except that debentures issued pursuant to this subsection shall have a face value equal to the unpaid principal balance of the loan plus interest at the rate of 4 per centum per annum from the date of default to the date the application is filed for the insurance benefits.
