Subpart A—Jurisdictional Standards

§ 103.1 Colleges and universities.

The Board will assert its jurisdiction in any proceeding arising under sections 8, 9, and 10 of the Act involving any private nonprofit college or university which has a gross annual revenue from all sources (excluding only contributions which, because of limitation by the grantor, are not available for use for operating expenses) of not less than \$1 million.

The Board will assert its jurisdiction in any proceeding arising under sections 8, 9, and 10 of the Act involving any symphony orchestra which has a gross annual revenue from all sources (excluding only contributions which are because of limitation by the grantor or not available for use for operating expenses) of not less than \$1 million.

[38 FR 9507, Apr. 17, 1973]

Subpart B—Election Procedures

§ 103.20 Election procedures and blocking charges; filing of blocking charges; simultaneous filing of offer of proof; prompt furnishing of witnesses.

Whenever any party to a representation proceeding files an unfair labor

practice charge together with a request that it block the processing of the petition to the election, or whenever any party to a representation proceeding requests that its previously filed unfair labor practice charge block the further processing of a petition, the party shall simultaneously file, but not serve on any other party, a written offer of proof in support of the charge. The offer of proof shall provide the names of the witnesses who will testify in support of the charge and a summary of each witness's anticipated testimony. The party seeking to block the processing of a petition shall also promptly make available to the regional director the witnesses identified in its offer of proof. If the regional director determines that the party's offer of proof does not describe evidence that, if proven, would interfere with employee free choice in an election or would be inherently inconsistent with the petition itself, and thus would require that the processing of the petition be held in abeyance absent special circumstances, the regional director shall continue to process the petition and conduct the election where appropriate.

Subpart C—Appropriate Bargaining Units

§ 103.30 Appropriate bargaining units in the health care industry.

(a) This portion of the rule shall be applicable to acute care hospitals, as defined in paragraph (f) of this section: Except in extraordinary circumstances and in circumstances in which there are existing non-conforming units, the following shall be appropriate units, and the only appropriate units, for petitions filed pursuant to section 9(c)(1)(A)(i) or 9(c)(1)(B) of the National Labor Relations Act, as amended, except that, if sought by labor organizations, various combinations of units may also be appropriate:

- (1) All registered nurses.
- (2) All physicians.
- (3) All professionals except for registered nurses and physicians.
- (4) All technical employees.

(5) All skilled maintenance employees.

(6) All business office clerical employees.

(7) All guards.

(8) All nonprofessional employees except for technical employees, skilled maintenance employees, business office clerical employees, and guards.

Provided That a unit of five or fewer employees shall constitute an extraordinary circumstance.

(b) Where extraordinary circumstances exist, the Board shall determine appropriate units by adjudication.

(c) Where there are existing non-conforming units in acute care hospitals, and a petition for additional units is filed pursuant to sec. 9(c)(1)(A)(i) or 9(c)(1)(B), the Board shall find appropriate only units which comport, insofar as practicable, with the appropriate unit set forth in paragraph (a) of this section.

(d) The Board will approve consent agreements providing for elections in accordance with paragraph (a) of this section, but nothing shall preclude regional directors from approving stipulations not in accordance with paragraph (a), as long as the stipulations are otherwise acceptable.

(e) This rule will apply to all cases decided on or after May 22, 1989.

(f) For purposes of this rule, the term:

(1) *Hospital* is defined in the same manner as defined in the Medicare Act, which definition is incorporated herein (currently set forth in 42 U.S.C. 1395x(e), as revised 1988);

(2) *Acute care hospital* is defined as: either a short term care hospital in which the average length of patient stay is less than thirty days, or a short term care hospital in which over 50% of all patients are admitted to units where the average length of patient stay is less than thirty days. Average length of stay shall be determined by reference to the most recent twelve month period preceding receipt of a representation petition for which data is readily available. The term "acute care hospital" shall include those hospitals operating as acute care facilities even if those hospitals provide such services as, for example, long term
