§ 1715z-17. Shared appreciation mortgages for single family housing

(a) One- to four-family dwellings; requirements

Notwithstanding any provision of this subchapter that is inconsistent with this section, the Secretary may insure, under any provision of this subchapter providing for insurance of mortgages on properties upon which there is located a dwelling designed principally for occupancy by one to four families, a mortgage secured by a first lien on such a property or on the stock allocated to a dwelling unit in a residential cooperative housing corporation, which—

(1) provides for the mortgagee to share in a predetermined percentage of the property’s or stock’s net appreciated value;

(2) bears interest at a rate which meets criteria prescribed by the Secretary;

(3) provides for amortization over a period of not to exceed 30 years, but the actual term of the mortgage (excluding any refinancing) may be not less than 10 nor more than 30 years, and contains such provisions relating to refinancing of the principal balance of the mortgage and any contingent deferred interest as the Secretary may provide; and

(4) meets such other conditions as the Secretary may require by regulation.

(b) Payment of mortgagee’s share of net appreciated value; “net appreciated value” defined

The mortgagee’s share of a property’s or stock’s net appreciated value shall be payable

upon sale or transfer (as defined by the Secretary) of the property or stock or payment in full of the mortgage, whichever occurs first. For purposes of this section, the term “net appreciated value” means the amount by which the sales price of the property or stock (less the mortgagor’s selling costs) exceeds the value of the property or stock at the time the commitment to insure is issued (with adjustments for capital improvements stipulated in the loan contract). If there has been no sale or transfer at the time the mortgagee’s share of net appreciated value becomes payable, the sales price for purposes of this section shall be determined by means of an appraisal conducted in accordance with procedures approved by the Secretary and provided for in the mortgage.

(c) Entitlement of mortgagee upon default

In the event of a default, the mortgagee shall be entitled to receive the benefits of insurance in accordance with section 1710(a) of this title, but such insurance benefits shall not include the mortgagee’s share of net appreciated value. The term “original principal obligation of the mortgage” as used in section 1710 of this title shall not include the mortgagee’s share of net appreciated value.

(d) Inapplicability of State constitution, statute, etc., limiting or prohibiting increases in outstanding loan balance

Mortgages insured pursuant to this section which contain provisions for sharing appreciation or which otherwise require or permit increases in the outstanding loan balance which are authorized under this section or under applicable regulations shall not be subject to any State constitution, statute, court decree, common law, rule, or public policy limiting or prohibiting increases in the outstanding loan balance after execution of the mortgage.

(e) Encouraged use of insurance by low and moderate income families

In carrying out the provisions of this section, the Secretary shall encourage the use of insurance under this section by low and moderate income tenants who would otherwise be displaced by the conversion of their rental housing to condominium or cooperative ownership.

(f) Consumer protections and disclosure requirements

The Secretary shall prescribe adequate consumer protections and disclosure requirements with respect to mortgages insured under this section, and may prescribe such other terms and conditions as may be appropriate to carry out the provisions of this section.

(g) Number of mortgages and loans

The aggregate number of mortgages and loans insured under this section and section 1715z-10(c)¹ of this title in any fiscal year may not exceed 10 percent of the aggregate number of mortgages and loans insured by the Secretary under this subchapter during the preceding fiscal year.

Notwithstanding any provision of this subchapter that is inconsistent with this section, the Secretary may insure, under any provision of this subchapter providing for insurance of mortgages on properties including 5 or more family units, a mortgage secured by a first lien on the property that (1) provides for the mortgagee to share in a predetermined percentage of the property's net appreciated value; and (2) meets such other conditions, including limitations on the rate of interest which may be charged, as the Secretary may require by regulation.

(b) Payment of mortgagee's share of net appreciated value; term of mortgage; repayment; "net appreciated value" defined

The mortgagee's share of a property's net appreciated value shall be payable upon maturity or upon payment in full of the loan or sale or transfer (as defined by the Secretary) of the property, whichever occurs first. The term of the mortgage shall not be less than 15 years, and shall be repayable in equal monthly installments of principal and fixed interest during the mortgage term in an amount which would be sufficient to retire a debt with the same principal and fixed interest rate over a period not exceeding 30 years. In the case of a mortgage which will not be completely amortized during the mortgage term, the principal obligation of the mortgage may not exceed 85 percent of the estimated value of the property or project. For purposes of this section, the term "net appreciated value" means the amount by which the sales price of the property (less the mortgagor's selling costs) exceeds the actual project cost after completion, as approved by the Secretary. If there has been no sale or transfer at the time the mortgagee's share of net appreciated value becomes payable, the sales price for purposes of this section shall be determined by means of an appraisal conducted in accordance with procedures approved by the Secretary and provided for in the mortgage.

(c) Entitlement of mortgagee upon default

In the event of a default, the mortgagee shall be entitled to receive the benefits of insurance in accordance with section 1713 of this title, but such insurance benefits shall not include the mortgagee's share of net appreciated value. The term "original principal face amount of the mortgage" as used in section 1713 of this title shall not include the mortgagee's share of net appreciated value.

(d) Maximum percentage of net appreciated value; disclosure requirements

The Secretary shall establish by regulation the maximum percentage of net appreciated value which may be payable to a mortgagee as the mortgagee's share. The Secretary shall also establish disclosure requirements applicable to mortgagees making mortgage loans pursuant to this section, to assure that mortgagors are informed of the characteristics of such mortgages.

(e) Inapplicability of State constitution, statute, etc., limiting or prohibiting increases in outstanding loan balance

Mortgages insured pursuant to this section which contain provisions for sharing appreciation or which otherwise require or permit increases in the outstanding loan balance which are authorized under this section or under applicable regulations shall not be subject to any State constitution, statute, court decree, common law, rule, or public policy limiting or prohibiting increases in the outstanding loan balance after execution of the mortgage.

(f) Number of dwelling units

The number of dwelling units included in properties covered by mortgages insured pursuant to this section in any fiscal year may not exceed 5,000.
