

### Notice of Meeting of the Members of GOLD Credit Union

The board of directors of GOLD Credit Union have called a special meeting of the members of this credit union at Cedar Crest College Alumnae Hall Auditorium, 100 College Drive, Allentown, PA, 18104 on March 21, 2024, at 6:00 PM.

The purpose of this meeting is:

- To consider and act upon a plan and proposal for merging GOLD Credit Union with and into United Federal Credit Union (hereinafter referred to as the "Continuing Credit Union"), whereby all assets and liabilities of GOLD Credit Union will be merged with and into the Continuing Credit Union. All members of GOLD Credit Union will become members of the Continuing Credit Union and will be entitled to and will receive shares in the Continuing Credit Union for the shares they own in GOLD Credit Union on the effective date of the merger.
- To ratify, confirm and approve the action of the board of directors in authorizing the officers of GOLD Credit Union, subject to the approval of members, to do all things and to execute all agreements, documents, and other papers necessary to carry out the proposed merger.

The board of directors of GOLD Credit Union encourages you to attend the meeting and vote on the proposed merger. Whether or not you expect to attend the meeting, we urge you to sign, date, and promptly return the enclosed ballot or visit <a href="https://goldcu.cuballot.com/">https://goldcu.cuballot.com/</a> to vote on the proposed merger.

If you wish to submit comments about the merger to share with other members, you may submit them to the National Credit Union Administration (NCUA) at:

https://www.ncua.gov/support-services/credit-union-resources-expansion/resources/comments-proposed-credit-union-mergers

or mail to:

NCUA - Office of Credit Union Resources and Expansion 1775 Duke Street, Alexandria, VA 22314 RE: Member-to-Member Communication for GOLD Credit Union The NCUA will post comments received from members on its website, along with the member's name, subject to the limitations and requirements of its regulations.

#### Other Information Related to the Proposed Merger:

The board of directors has carefully evaluated and analyzed the assets and liabilities of the credit unions and the value of shares in both credit unions. The financial statements of both credit unions, as well as the projected combined financial statement of the continuing credit union, follow as separate documents. In addition, the following information applies to the proposed merger.

Reasons for merger: In our last four Annual Meetings, we have presented and discussed with members the investments GOLD has been making in our infrastructure, technology, products, and services by investing our capital, through expenses that exceeded income, for the benefit of our members and future growth. We provided updates on the additional challenges that we faced (COVID, recession, inflation, rapidly rising Fed Funds increases and others) that hindered the return to positive income we had forecasted. The board of directors has concluded that the proposed merger is desirable and in the best interests of members because the Continuing Credit Union is member-focused, culturally aligned, and has the infrastructure, technology, products, and services that we had strived toward adding.

**Products/Services.** The Continuing Credit Union will offer a more robust product and service line including:

- Wide variety of consumer and commercial share and lending products
- High-Yield checking account
- Credit and Debit Cards that earn rewards
- Competitive Money Market and Share Certificate Accounts
- Potential to earn rate incentives and rewards through account, transaction, and service usage
- Expanded mortgage loan products including Lot Loans, Construction Loans, Investment Property Loans, VA Loans, Medical Professional Loans, and Rural Development Loans
- Business and Commercial Accounts and Loans, plus Treasury Management services
- Domestic and International wire transfers
- Gift cards

**Enhanced Electronic Banking Products.** The Continuing Credit Union will provide enhanced electronic banking products, such as access to Digital Wallet payment options and Zelle® (person to person payments) and improved online banking and mobile app experiences. The Continuing Credit Union consistently assesses and improves technology solutions to make sure the Continuing Credit Union is providing the best personalized digital solutions possible for members now and into the future.

\*Zelle and the Zelle related marks are wholly owned by Early Warning Services, LLC and are used herein under license.

**Increased Member Access.** The Continuing Credit Union will be able to serve more members and provide them with more access to competitive financial products and services with extended Member Service Center hours for phone calls and online chat options as well as a large branch network with 35 branches in six states plus access to thousands more through the Co-Op Shared Branching Network.

**Investment in the Lehigh Valley.** Plans for a growing branch network, including a new branch location in our current GOLD member service area within five years.

**Community Support.** A continued commitment to helping organizations and individuals in need in our local neighborhoods.

*Net worth:* The net worth of a merging credit union at the time of a merger transfers to the continuing credit union. GOLD Credit Union does not have a higher net worth ratio than United Federal Credit Union.

Share adjustment or distribution: GOLD Credit Union will not distribute a portion of its net worth to its members in the merger. The board of directors has determined a share adjustment or other distribution of GOLD Credit Union's net worth is unnecessary as GOLD has a lower net worth than the Continuing Credit Union and the GOLD members will benefit from increased product and service offerings with the Continuing Credit Union (see *Reasons for merger* section above).

Locations of merging and continuing credit union: GOLD Credit Union's General Office at 835 W. Hamilton St., Allentown, PA as well as GOLD Credit Union's Lehigh Division branch at 4703 Hamilton Blvd., Allentown, PA will both remain open upon completion of the merger. Continuing Credit Union will provide access to the Co-Op Shared Branching Network, which includes 4 branch locations in and around (within 20 miles of) Allentown.

Changes to services and member benefits: The Credit Unions have made no post-merger plans to reduce branch facilities, ATM network access, or existing accounts and services offerings currently available to GOLD Credit Union members.

Merger-related financial arrangements: NCUA Regulations require merging credit unions to disclose certain increases in compensation that any of the merging credit union's officials or the five most highly compensated employees have received or will receive in connection with the merger. The following individuals have received or will receive such compensation:

Name	Title	Description of increase	Amount not to exceed
Cheryl Bartholomew	Chief Executive Officer	One-time retention bonus	\$108,000
Donna Fogel	Chief Financial Officer	One-time retention bonus	\$73,000
Jennifer Gora	Chief Communication Officer	One-time retention bonus	\$50,000

Nickolas Armstrong	VP Systems Operations	One-time retention bonus	\$45,000
Darian Phillips	VP Lending	One-time retention bonus	\$37,000

The Credit Union and the board of directors believe it will be beneficial to the members of the combined credit union to retain the services of all of GOLD Credit Union's 30+ employees after the merger, offering no less than their current individual salary compensation. To reward them for their service and incent them to remain after the merger, all GOLD employees will be paid retention bonuses between 20% and 40% of their GOLD salary as of January 1, 2024.

Please note that the proposed merger must have the approval of the majority of members who vote.

Enclosed with this Notice of Special Meeting is a Ballot for Merger Proposal. If you cannot attend the meeting, please complete the Ballot and return it to CUBALLOT – Election Processing, E Space Communications Inc., P.O. Box 3156, Dublin, OH, 43016-9842. To be counted, your ballot must be received by Wednesday, March 20, 2024, at 5:00PM.
